**Love and encouragement**

To know that Jesus is available for us all – anytime and at any place – is a deep trust experience of every Christian.

To hear Jesus personally in specific situations – apart from of the bible yet in complete harmony and accordance with it – and to realize why HE acts how is at all times and again and again important for us, so we can get a better understanding of HIS actions, allowances and targets with us.

**And:** HE delights in talking to us as HE knows that the devil permanently tries to direct us false paths or to make us insecure.

Certainly almost every Christian knows situations in which he is confronted with the devil. To encourage those and confirm their standing in HIM as well as to confirm that he has chosen the one and only right way in this life (**remark:** *otherwise the devil wouldn't even bother to attack him !!*) please find hereafter a collection of words and statements spoken by the Holy Spirit to HIS children (= our prayer group). There are many more statements available which HE gave to individual members of the prayer group, however, the following ones can be adopted by every one of HIS children and be taken as true for every situation in life.

**Preface:**

This is a collection of statements, encouragement and hints as well as justifications given by the Holy Spirit in the prayer group at

**„Jugend- und Missionswerk Biberach e. V. (Evangelistic organization for youth and mission) - [JuMB]  
Burren 4, 88400 Biberach/Riss/Germany, led by pastor Pastor Friedrich Nussbächer and his wife Erika**

In its general nature they can certainly be adopted by and are destined for every of HIS children – to the group as a whole and to some individuals (from page 13).

All words have been recorded word by word (in German language, and have then been translated by the collector). All statements have been given after the prayer group prepared its prayers by glorifying HIM, singing and giving praise.

The ‚pictures‘ used in the statements have been given by the Holy Spirit and give dioramas of HIS words. The suitable bible verses have been derived from **NIV-version** and are printed bold for reference and linked directly to the bible verses. These give a possibility to get even further information directly from HIS word.

The contents is

- for seasoned believers to be encouraged and learn even more about their LORD as well as
- for newly born Christians to realize who really has their lives in HIS hands.
- (Still) Non-believers may see what they are missing ... so far [!!] ... but also to realize that HE is waiting for them to bless them too and to achieve HIS good plans for and with them  
**- as their very personal creator and savior.**

## 1. About us

Far away from believing my family and I relocated in 1991 to a small village near Biberach/Riss in the South of Germany.

A few houses down our street lived the evangelist and pastor Friedrich Nussbächer with his family. His wife, before that time barren gave birth - after they stayed years before in Africa for some time and prayed with an African pastor - to three boys who all are strong believers now. As our two wives gave birth to children both in August 1990, with just one a week difference- she to her youngest boy and my wife to our girl twins -, they practically met every day when walking with the babies in their buggies.

As a result of their chats my wife participated in the weekly ‚women breakfast meetings‘ arranged by Erika. I was astonished when my wife came back home again and again in a pretty relaxed and calm mood – which did not meet her originally active nature – and this arouse my curiosity. Asking the pastor’s wife how I could calm down similarly she proposed for me to participate in the monthly meetings of the [IVCG](#) (Association of Christian businessmen) – where Christian businessmen gave testimonials of the LORD’s work in their lives.

The continued participation of my wife in Erika’s meetings as well as the fascinating information about GOD’s actions in the lives and businesses of the participants of the IVCG-meetings led us, after about a year, to participate in the first ‚ProChrist‘-evangelisation executed by Billy Graham in 1993, which was transmitted by satellite to Biberach.

During two consecutive evening meetings as well my wife Ulrike as I were drawn magically and irresistibly to the front podium when Billy Graham asked those needing prayer to come to the front.

Some members of the Pentecostal church of Biberach prayed with us and shortly thereafter we became members of this church in Biberach.

In autumn 1993 we were baptized and since then we follow the path of Jesus in our lives.

We experienced unbelievable heights and depths which wasn't really easy to accept for a – beforehand – ‚self-determined‘ business man – however we did.

Over the years Jesus taught us to depend with whatever we did solely on him ([proverbs 3:5](#)) and even during the deepest moments of our life we never have been left by HIM – there were always doors opened to overcome a variety of situations.

HE led us always and everywhere on terrific ways so that even our brothers and sisters in the church nearly could not believe it. Collaterally we have always searched for HIS personal encouragement – and we received it, often directly, sometimes later, part of it still outstanding.

I received the first prophecy for me (not included here) in 1995 through a man with a prophetic gift. His colleague asked me before starting the prayer whether I perhaps would have a Dictaphone to record what was possibly given by the Spirit so I could read it later on and also supervise and follow the LORD's promises. I did have it, I recorded about two normal pages of paper with the promises. I have it still to read it again and again and to be encouraged by it.

From that time on I used to have a Dictaphone with me during the prayer meetings in order to record the words possibly received during the meeting, to type them and to hand them over to the ones we prayed for.

Also they have – by reading it – been encouraged again and again and strengthened in their trust. A check performed from time to time confirmed literally the conformity of what happened in their lives with the words received.

Due to the fact that we have been blessed by receiving HIS words in our prayer group but also individually I hereafter repeat some of the words/statements we got so that also others may receive HIS blessings by simply reading it.

Yet also here we are asked to follow [1. Thessalonians 5:19-21](#) – i. e. to see/feel what is important and valid for us individually and where hints could be taken from.

In general I would like to suggest to every reader that – if he does not get clear ideas regarding the ways of the LORD with him on any other way used by the LORD – he or she looks for a prophetic expression through a respective brother or sister within the church. HE has provided for every of HIS gifts within the church !

GOD is not deaf and will for sure – immediately, sometimes, however, only later – reveal HIS plans with the individual child and/or give encouragement or even additional information.

I have experienced this many many times myself. HE des not leave us in the dark.

**And: He does not have such encouragement and statements only for our prayer group but for ALL of HIS children. We all are the same for HIM – HE does not have grandchildren ! –, HE loves all of us the same way and for that reason I have translated the wordings as given in the original (only the translation may not be perfect from time to time, HIS words are !!) ... = missing or unclear words during recording were left out!!**

## The Holy Spirit speaking to our prayer group

- on 9/29/2000 – through Ilse:

...the blind Bartimaeus, he hears the people coming, he does not see them but he hears them and asks: ‚Who goes there, who is passing by?‘ [[Mark 10:46](#)]. And then he understands: Jesus of Nazareth passes by.

When he hears this name a desire comes into his heart and he starts crying 'Jesus you son of David have mercy on me'. Jesus stops and asks: 'What do you want that I do to you?'. And the blind beggar says: 'LORD that I become sighted'. And Jesus says: 'Be sighted, it happens to you as you have asked'. And he becomes sighted.

He jumps up, throws away his dirty coat and follows Jesus. But there is also a woman, who was following Jesus and she realizes that HE performs miracles and ill ones become healthy and she was bleeding [[Luke 8:43-47](#)]. With all the agony in her heart and with all her power – and she had will power, because she was ill for a long time – she knew: 'If I touch the hem of HIS robe, I will be healed'.

**And the LORD is in our midst:** 'Come to me and bring your problems to me. I ask you: 'What do you want that I do to you – each individual ?' Spread everything out before me. I am the GOD of love and I want to meet you tonight, in a new and wonderful way, because I love you so much that I want to help any one of you tonight one step further – for you know my children: The way in my succession goes always one step at a time and another step.

I do not over-drive you, because I love you and because I always want only the best for my children. I want to establish them, I want them to believe, I want to give them health. Therefore come to me and spread out in your heart what I should do to you. **I am here, I will listen and I will do.**

Like the woman, she touched the hem of my robe and I turned around to her and asked: 'Who touched me' – as there was power going out from me. And I want to say to you tonight: 'Come and touch the hem of my robe as there is a power going out from me [[2. Peter 1:3](#)]. The divine power shall flow into you and you will not leave today the same as you were coming.

You come to experience me, you wanted to meet me. I have met you, my children, I came into your midst through my Holy Spirit and I do want tonight that my children delight in me, are happy and rejoice in their GOD.

**Because I am a GOD who gives joy [[Psalm 4:7](#)], I am a GOD who brings peace [[Ephesians 2:17](#)] and I am a GOD who has all the fullness [[Ephesians 39](#)].**

Therefore be glad, rejoice and honour me and do as I told you and you will be strengthened in faith and trust, with new power, with new trust, when you go from this place and will be used by me to build my Kingdom.

This is my command: That my Kingdom be built, people be saved and become aware of the truth. That heaven shall be populated and hell be plundered. For this you shall be my workers in the harvest ... come here and you shall have rich earnings, once, when you see me from face-to-face in the glory of heaven, from eternity to eternity – **so speaks the LORD.**

**- 12/15/2000 – through Ilse:**

... the LORD stepped among us and says: ...**release everything, first put all your sorrows onto me [[1. Peter 5:7](#)] and I will take care for every single one, everyone is precious for me, I do not have favourites I have made the same sacrifice for everyone, I shouted for everyone: 'It is finished'. [[John 19:30](#)]**

Therefore come here and you shall find fulfilment for what is in your hearts, and you shall find healing and answer to everything you are aggrieved with. Then come, put your hands into my pierced hand, and I will direct you because I am the good shepherd [[John 10:11](#)] and I direct my sheep and you know my voice. Follow me and you will reach the place where I am waiting for you, in eternity. Amen.

**Closing by Ilse – for everybody:**

... have I seen all of us, praying, and the LORD talked to us and we stood on the edge of a stream which flew out from under the threshold of the temple. First we stood there and then the first of us started to enter it. First till here (she shows the height of the ankle) and then to here (hip) and then the LORD said: Still deeper. And then I have seen all of us swimming.

**And the LORD said:** We should go on doing so. We should stay in the stream of the Holy Spirit and then all of us will be under the direction of the Spirit and streams of living water will flow from each of us [[John 7:38](#)]. We are to be a testimonial for the glory of the LORD.

However, stay in the stream, stay in the middle, where we find no more ground and can not rely on anything else ... (the rest was not understandable do to the loud jubilation)

**- 1/5/2001 – through Ilse:**

... puts the LORD into our midst: For the most important problems we shall pray seven times a day and bring the matter concretely before the LORD, but we shall not slack off. Seven times ... but we do not pray enough. It is not enough that the devil may be pushed back and so the LORD wants to motivate in us the spirit of prayer totally anew [[Proverbs 15:8](#)].

... and the walls will tumble and we will be astonished. But GOD has shown this and HE will keep HIS promise.

**Through Ulli:** ... go and make disciples all nations [[Matthew 28:17-20](#)] and be a living testimonial.

**- 4/6/2001 – through Ilse:**

The LORD stepped again into the midst, as one or two months ago, when were in another room to debate and somehow we had been anxious and charged.

**And then the LORD stepped into our midst and said:** Peace be with you [[Luke 24:36](#)] my children. I bring to you this divine peace and so everything has to give way that robbed this from you. Because I am your GOD who is always available when you need him.

I await that you are expecting everything only from me, you cannot get any help from anywhere else but with me there is always a possibility [[Luke 18:27](#)], there is always a perspective, with me there is always an advice, which I give you so that you handle the situation as I want to have it.

Therefore I want to tell you – being present here -, in fact you are a small church: Where two or three meet together in my name – as it is written – I am with them [[Matthew 18:20](#)], and you are more. How can you be fearful, how can you be afraid, how can you be in doubt, didn't I do so much and have glorified me in your midst, with small as well as with major matters !?

So I will repeat it again, but it is the time of testing, it is the time of refining, it is the time of preparation. I have to prepare my people, I have to prepare the wise virgin as it is written that there were 10 virgins, five of them were wise and five of them were foolish [[Matthew 25:1-4](#)].

And I want to place that into your hearts today that you strive for this. Strive for becoming a wise virgin. And you have to look at me then you will be transformed into my picture. Because I am the groom and you are the bride. You have something wonderful to expect so do not let you be astonished by the heat of this day.

Only then you can come near to me: If you are in need, if you have many problems, then you call on me more often. And you will be thankful one day when you see in eternity that everything had to pass by my throne **and I never make a mistake**. All of it is my love for my bride. And so as I love you, you shall love me, that pleases my heart.

So be thankful, be happy, be confident, be undismayed and listen to what the Spirit ... and this whole small church has to say. And then you will have security and you will stand in victory. Because victory has already been achieved but you have to call on it again and again.

**Victory is here [[1. Corinthians 15:57](#)]! With me you will stand further on in victory, even if others fall apart. Therefore give my praise, give me thanks, give me the honour and, my children, believe: I am the LORD and there is none aside from me.**

**- 1/19/2001 – through Friedrich:**

... a white background and there are black dots painted into it. However, it is black on white.

And it seems to me as if **the LORD says:** Look, from the beginning I have made everything perfect. I looked to everything and it was very good. You know, my children, that then came the opponent. He interfered in my creation, in my action. And has painted his circles into it, into my white that I had created. A spotless white.

And, **says the LORD**, this is it until today: Black and white side by side. And I have commanded you, you know it perfectly, that you shall carry my light and my glory among the people. You go out, I accompany you and as I said: My church [[Matthew 16:18](#)] will not be overcome by the gates of hell.

And I want, **says the LORD**, reach the people. This is my plea and not only my plea but my attempt: I want to reach people in this world. I want to reach everybody and I want to use you in this work. Therefore, my children, are my witnesses. This is my plea to you: Be my witnesses [[Acts 1:8](#)] **So speaks the LORD**.

**- 5/25/2001 – through Ilse:**

... holy, holy, holy is Jehovah, all countries are full of HIS honour. I see the Cherubs and Seraphs as they fly. They have three pairs of wings, with one they fly, with the second they cover their feet and with the third their eyes. [[Isaia 6:2](#)]. Again and again there is the praise: 'Holy, holy, holy' and the hem of the robe fills all of the temple. It is a glory of GOD which cannot be described and which we cannot imagine. I see only a little but it is enough to know: **Three times holy is the LORD**.

And then the prophet comes and says: „Woe me I am a man of unclean lips“ [[Isaia 6:5](#)]. I see an angel coming to the altar, he takes a piece of coal and cleans his lips. The LORD says: “Whom shall I send?” and the prophet says:” “Here I am LORD, send me”.

... in your midst: „I will send you out into this world. Everyone was equipped by me with gifts with which he can serve me. I do not send you without equipping you. I have given to you the armor [[Ephesians 6:10-18](#)] so that you cannot be attacked by satan. Use this armor, put it on every morning, and take the shield of faith to extinguish the flaming arrows of the devil. **You have everything you need, you only have to use it.**

Therefore I call to you today: Go out into this world as a light, because it is dark in this world. Darkness covers the globe ... but I have made you a light and salt [[Matthew 5:13-15](#)] to go out ... so that the people realize: “There is something. It is worth it, to pick ME up into life. So you do not need to think: What do I have to do and how should I do it.

My children, if I give you the command I will also give you the words and you must not think - just open your mouth and my Holy Spirit will give you the right word [[John 3:34](#)]. But HE will also show you the condition of this person, yes, through the gifts and with the eyes of the Holy Spirit you will often know and realize soon, what is going on with (the present situation of) this specific person.

Therefore apply yourself and use the gifts to the advantage of people who do not know me yet. Because it is the will of the father that all men be saved [[1. Timothy 2:3-4](#)] and realize the truth.

Become motivated today totally anew, let this sense of mission fall into your heart because we are in the last time and I come soon, my children. Amen

**- 6/1/2001 – through Ilse:**

The LORD has a card index about us, HIS children, and above it stands the lamb.

**The Holy Spirit speaks:** "I have a plan. Yes, for each of you: And each plan had been elaborated very specifically.

Nothing is depending on you, however, one thing is important: That I live in a heart [[Hebrews 11:6](#)] full of faith and full of ... and that you say: “LORD your will be done”. And then I can use you here and there and there – according to my plan.

Therefore be confident and do not be afraid [[Isaia 43:1](#)] because I tell you: „I, the LORD, can do great and mighty things with your help. You are my soldiers in the spiritual fight [[Ephesians 6:12](#)] but I am the LORD and lead you. **And I lead you to victory.**

It is important that you believe and trust and say: “LORD, we are prepared” – like brave soldiers. And then you will have victories and no defeats. **I shall act in your middle.**

I bless you and I love you and I am happy that I called you and you did come.

**However, this calling and choice has to be retained personally by everyone before me [1. Corinthians 7:17]**

Do that and there will be growth , there will be a revival, here in this house, in my house. Therefore rejoice, be confident and have patience and thank me. Even if there is nothing specific to be thanked for. Amen.

**- 7/13/2001 – through Ulli:**

The LORD shows me a keyboard, Black and white keys, as we know it and how it is right for us.

And above this there is a second one with clean white keys.

**And the LORD says:** Now, do you think one can play this? Do you think you can play on a life – or on a piano – that only has white keys?

Such black keys are the sorrows and needs, however, they are the tones which make out of your life a real life. And if you take these away then you will have a clean white keyboard but you cannot play it, you do not learn, there is no progress and there is no melody.

So be convinced – and this I say to everyone here – that one needs the heights and the depths, the dissonances, the problems, the sorrows and the needs, the whole keyboard, in order to make a complete life. **So speaks the LORD.**

**- 8/24/2001 – through Ilse:**

The LORD tells us: Look, my children, I have prepared a table for you, in the presence of your enemies [Psalm 23].

**I anoint your head with oil and goodness and love will follow you all the days of your life and you will dwell in the house of the LORD forever.**

So stand on this word. In every word there is a wonderful undertaking and there you can stand: On these undertakings. And I will pour out to you and I care for you and I will give you ideas, coming from me, operated from my throne and my Holy Spirit.

For it is written: **Listen to what the Spirit tells each individual and to the church [Revelation 2:7].** And if you do that you will automatically enter into it, the way, in which I preceded you.

I have decided, it is in my heart, and it will become true before you and through you. And you will realize: **When the need is greatest, my help is nearest.**

Look, I am with you all the days, all the days: **No second passes by that I am not with you ! [Matthew 28:20]**

Therefore come to me again and again, sit by my feet [Luke 10:39] and listen to me. This or that and a third or a fourth. Counsel with me, I am the best counsel [John 14:26] because I love you and because I only have thoughts of love in my heart.

You shall realize: No problem is too small or too big for me, that I could not solve it. Let me act and you will have the victory [Proverbs 21:31] concerning all these things. Because I am the winner and in my name you will have the victory.

Each individual with his problem and with the whole problems regarding this mission work [JuMB]. I give victory because I want to lift my name, because all glory is due to me alone.

**- 9/14/2001 – through Ilse:**

... and when Friedrich prayed that we expect from our LORD the miracles happen, I see – as already often before – the temple hall from above.

And the LORD sits on HIS throne. And the seraphs and cherubs fly, they have six wings – with two they fly, with two they cover their eyes and with two they cover their feet. And all angels meet there and sing aloud: 'Holy, holy, holy is the LORD Jehovah. All countries are full of HIS glory' And the threshold of the temple trembled and there is a kind of holiness poured out.

And the prophet Isaia calls: 'Woe to me, I am a man with unclean lips [[Isaia 6:5](#)] and I come from a people with unclean lips.' And then I see that an angel is flying to the altar, take a piece of coal and touches the mouth of Isaia and calls: 'Whom shall I send, who will be my messenger?'

And today I am in your middle, according to my promise. I want to send you all, I will use everybody. Each one with the gifts I gave to him.

But you shall not only praise me with your mouth but I want you to invest your heart. I want that you feel – with every breath, with every word: 'You praise me the three times holy LORD. Learn to enter praise with this fear of GOD and then open the door that I can do miracles. Then open your hearts that you realize: **'I am the LORD'**

**I am your LORD. And it depends on you how I can meet you, and everyone shall apply to do what my Holy Spirit puts into your midst.**

Serve the LORD with all your heart, with all your power, with all your mind, and then I am the GOD who listens to all prayers and who answers them. Because: I am a GOD who performs miracles, still to this day !

But I want to have obedient hearts and then I can act. If you obey then a mighty anointment ([1. John 2:27](#)) will come upon you, because you have to go out anointed. You have to serve anointed, and the anointment has to come through my Spirit. That you speak out what I say. Nothing own but effected through my SPIRIT. Then you will realize how seed is flowing that grows, that bears roots and fruit. To my glory'

**- 9/21/2001 – durch Ilse:**

**... a picture ...:** They are sitting in the upper room before HE goes to the cross. They were together and HE parted the supper with them. And then HE said: 'There is one among you who will betray me [[Mark 14:18](#)]. And then HE gave the bread to Judas. All were dismayed..

And now I see as Jesus stands up. HE puts away HIS upper cloth. And HE takes an apron and HE kneels down and starts to clean the disciples' feet [[John 13:15](#)].

**And the Spirit says:** „My children, I have given you an example. Learn from me. In all things look at me and see how I acted, which reactions I had – in the most different situations that were before me, between this supper with my disciples and Golgatha.

You know the whole way, you know how my heart suffered and bled. I do not need to tell you, everyone can identify himself with me. And thus you should also start in this time to wash the feet of each other.

Do it my children. I have humbled myself not only to wash the feet of my disciples but I was prepared for the bitter death at the cross. I came down, out from the glory of heaven to the cross and afterwards I went to the deepest places of earth, in order to preach the gospel to those who did not hear from me.

I have given you an example, my children. For me nothing was too heavy and nothing too high, nothing too deep and nothing too dirty. And nothing too insulting. I accepted everything and acted.

Therefore I tell you today: Do not be weak-spirited, but be happy and confident. I did tell you that many times and I did in order to encourage you. And should you have forgotten it, my children, this doesn't matter. I tell you again: **Be happy and confident and learn the lesson from me, my action and my reaction.** And wash the feet of each other. [[John 13:8 foll.](#)]

I am always amongst you, if you come together according to my promise. I will direct you, my children. Only I am in the position to do that. You come to me and ask: 'What shall we do?' and then I will direct you. Pray and I will ... Each individual one should stand before me, each individually for himself.

**And every one will have an answer. For if you search for me with all your heart I will let me find [[Jeremiah 29:12](#)].**

And I speak the last word, my children, I am still the one who has all power in heaven as on earth [[Matthew 28:18](#)]

Nothing has changed. I am the same, you are still my children, I still love you with the same love and I say: **‘I, I am the LORD’**. Full of authority, full of sovereignty, full of love. Therefore I say to you today: ‘You follow me in my footsteps’. It is written: he who overcomes till the end will have the victory. [[Revelation 2:26](#)]. Still !! ... **so speaks the LORD**

**- 10/26/2001 – through Ilse:**

When we started to sing ‘Praise be the LORD’ we all stood up and there was a big room and there was the armour of GOD. **Everything was available and one after the other we went there and the LORD himself equipped us with the armour.** Each individually and said: ‘Read Ephesians 6’ [[Ephesians 6:10 foll](#)]

**- 11/1/2001 – through Ulli:**

I saw us climbing the steps to the holy throne. I know exactly that nothing is written about steps in this context in the description but the LORD told me: **These are the steps of our lives, which we have to go in order to reach HIM in HIS glory. And HE will equip us for it, HE will direct us and HE will give us power to go these steps.**

**- 3/11/2002 – through Ilse:**

... before my eyes the throne of GOD.

And the LORD is in a wonderful light, the divine light, and while we were singing we went up the steps to the throne of GOD and lifted our eyes to Jesus. And the nearer we came the more we entered this divine light and on top we fell on our knees and the Lord blessed us and asks: ‘My children you gather together here to adore me, to give me praise and to please my heart.

And I call to you because I want to please also your hearts: **‘What do you want that I should do to you today?’** [[Matthew 20:32](#)]. Each one of you should come with his needs, problems and whatever depresses him and spread it before me and I will change the whole situation tonight. Become full of my light, because without my light you cannot do anything. You have to enter this divine light that you are filled with power.

And I look down to the bottom of your hearts and ... speak it out in your hearts and bring it to me. I am ready. With me there is no ‘impossible’ [[Matthew 19:26](#)]. You shall feel my love, because if my people humbles itself and comes to me then I am the one who interferes into all these things with additional love and my authority so that you can see your problems are that important for me that I engage myself for everybody. So, come bring to me your praise, bring to me your hearts, which I will clean and sanctify anew, today.

It shall be a day on which you go home from here with my blessing. So that you are full of new courage, full of belief, full of joy: The LORD always makes a new beginning. And not as it was last time, I want to give you again and again something new. Always show something new to you.

And so grow into it, the empire of GOD, and here I shall use you. You shall be my witnesses. Wherever I send you. So take this along today: **My power, my love and the whole fullness of my Holy Spirit.** I am here to refresh you and to bless you and to motivate you anew – **so speaks the LORD.**

**- 7/26/7. 2002 – through Ilse:**

I see the temple of GOD and underneath the threshold the stream of the Holy Spirit is flowing out. There are containers in this stream, golden containers. Some stand in the middle, others more to the edge. And two containers are tilt over, outside of the stream.

And the containers which are in the middle of the stream are filled by the power of the spirit. It flows in and out, in and out. Just as the LORD says: ‘From your body, streams of living water shall flow’ – those standing in the middle. And the ones at the edge: I can see that the water flows in and out again and it is difficult to fill them.

And the two containers, on the right and on the left ... And now comes the hand of the LORD, the pierced hand of the LORD, and takes these two containers. One of it is V. (daughter) and HE holds it into the stream and something is flushing out. And the other one, I think that you are it V. (mother). The LORD has the mercy to fill both of you. All of us.

**for all:**

I want to fill you today with the power and authority of my Holy Spirit [[Romans 15:13](#)]. Stay in the middle of the stream, do not lose your stand, where you are in the middle of the stream, so that the water of the Spirit can fill

you again and again and you can give it to others. And then there is no danger for you, because where my Holy Spirit works everything else has to give way.

I am a Holy Spirit and nothing else has a place in you that is in my way. Therefore wash yourself in my blood and let you be filled now totally anew with my Spirit and then you can act as my tools, then you will be containers led by my power. **Filled with my love, with my mercy, with my patience.** You will have everything and you will act as a balm for the people you serve. You will serve. I will bring you people.

Also you my daughter (V. - above) should not centre on you and your child but you shall be a testimonial for me, my daughter. And you will see how that ... you will see, if you confess me you will have victories, as well in the life of your child, as in your own life.

**for all:**

Therefore: Today is the day of mercy, today is the comfortable day, today is the day of salvation [[2. Corinthians 6:2](#)]. Take it through belief and go out as my soldiers into the world and preach the gospel in time and in untimeliness, because for this I filled you, so that all of you are with me, in my vineyard, for my glory, so that many may be saved and come to the knowledge of the truth.

You then will bring me the fruit which I expect, not wood, nor straw, but silver, gold and precious stones, for the glory of my name.

... she received the following picture during our praise::

... and besides of the father the lamb [[John 1:29](#)] ...

And now I see the 24 elders [[Revelation 4:4](#)] coming and they fall down to their faces before the father and the lamb and place their crowns near the feet of the father and the lamb. And all of the heaven jubilates and rejoices. It is a praise which we joined. We participated in the heavenly praise, the way we could.

GOD looks at our hearts and sees our love for him because HE had said: Where my people give me praise there I am present ... and I live within the praise of my people. Because, my children, once you will be crowned in the heavenly glory, when you are with me. And then also you will put down your crowns to my feet, because I alone am worthy to receive praise and worship. Now and in eternity. Amen.

Later she had the picture that Jesus was in the midst of us and asked us to tell HIM what HE should do to us.

**- 10/11/202 – through Friedrich:**

The LORD stands in our midst and has raised HIS hand. I see the piercing in HIS right hand.

**And the LORD says:** I, the LORD, am in your midst. I want to answer today for what you have prayed. Look: I want to raise my hand over your lives, again and again anew, if you call on me. I will come to you. I will raise my hand, I will bless you, I will free you, I will help you, as you are mine.

I have the right to do it as I died for you – on the cross of Golgatha.

**Therefore: Do not be afraid, as I am the LORD.**

... and I see us, we stand before the narrow door [[Luke 13:24](#)] and step on the way. Truly a narrow way, on the right and on the left side there are canyons and wild beasts. A way which – if we look to it – frightens us and gives us a tremble into our hearts.

**But the LORD says:** I am the way and you go on this way into the glory. Therefore do not be afraid, I am with you. To the right and to the left are my angels. I have commanded them to serve you.

And you will not fall, you will not sink into the canyons, but you will arrive here. Because it is in my plan, that you reach the goal that you can enter through the narrow door to eternal life [[Matthew 7:13-14](#)]. But keep this way.

**I am the way, I am the truth and I give you the life** [[John 14:6](#)]. Adhere to me, abide by me. I have been loyal until the bitter death on the cross. So remain loyal and all of you – who obey – will receive the remuneration which I have prepared to all those: The crown of eternal life.

Therefore rejoice, rejoice, and stay on the way. Do not go right nor left but just straight, at my hand, until you come from faith to sight.

**- 11/15/2002 – through Ilse:**

(I see the LORD)... HIS robe fills the throne room. And the angels, the cherubs and seraphs with 6 wings – with two they cover their eyes, with two their feet and with two they fly. And all heaven sings – and we sing together with them: 'Holy, holy, holy is Jehovah. All countries are full of HIS glory.

**The Lord speaks:** And you my children have come to give me praise. With this praise – here in this chapel, where I am present – in order to glorify me. I will fill you today with power from above, which you need. You have come here – empty, mean, pure, naked – but I am here to meet all your needs. In a new and wonderful way.

Because I want to confirm myself as the one who has all power, in heaven and on earth. And I want to show you how much I love you, that I have bled for you, that I gave myself as a sacrifice; but I revived and once you will be where I am. But I have to prepare you, my children.

Therefore the heat which you encounter from time to time shall not surprise you. I have to act through my Spirit at and in you. But keep still and know: I never make a mistake. I have to cut, where it grows too strong and is in my way. Each vine has to be trimmed that it brings more fruit [[John 15:2](#)]. I have to trim all of you, my children, so that I get what I am waiting for. Because the father is the wine dresser, I am the grape-vine and you are the vine.

Keep still and know I only cut a bit, where it is necessary. Even if it often hurts but I have to do it so that you bring the fruit which I wait for. I am waiting for the fruit of you, my children. Fruit that remains in all eternity. Therefore enter praise again, give me praise and praise Golgatha, the victory of Golgatha, for I am and remain the winner and I will do big and mighty things, but I have to prepare you for it.

I have to prepare everyone for the service that I have for him. Do not look right or left, look at me. I give you what you need and I will place you there, where the place had been chosen by me.

So stay now in this pleasure waiting that **I keep what I promised**. I am a GOD who say 'Yes' and 'Amen' [[Revelation 22:20](#)] and I keep for sure what I promised. I want to glorify me. I want to show you my love and you should leave this place today with a rejoicing heart, full of belief and trust. And you shall be tools in my hand to the glory of my name.

... they (the Israelites) come to the Jordan and stand there totally discouraged. The Jordan is filled to the top and they think 'How do we get through'. This is a barricade, which they only can cross with GODs help.

And then I see as the priests – led by the LORD – go and set their foot into the water [[Joshua 3:13-17](#)]. And the Jordan divided. On the one side there is a wall bolt upright and on the other side the water flows down. And they cross the river. First the priests with the ark and behind them the people. And they erect a sign of stone: Ebenezer – thus far the LORD helped us [[1. Samuel 7:12](#)].

Alleluia, my people, and even if there is no Jordan in front of you or the giant Goliath: Thus far I have helped you and I am going to help further.

Therefore do not be discouraged, rejoice and be confident, if I – your LORD – have taken a thing into my hand then I will finalize it. Then I help you through and strengthen your faith, I strengthen your weak-spirited heart, then I teach you to trust me anew.

**Is anything impossible for me ?** [[Jeremiah 32:27](#)]

**Am I not a GOD who can do anything ?**

However, I wait, I test you, and often I do come late, however, never too late. Therefore if the need is greatest, my children, is it like this or like that, I know your needs – do not be discouraged, then my help is nearest.

Reach out for my help and know: I love you and I will help you further and I will glorify me over and in your lives – for the glory of my name.

I see a wonderful vineyard, with beautiful grape-vines and vines.

**And the Holy Spirit says:** My children, my father is the vine dresser and I am the grape-vine and you the vine at the grape-vine.

And now I see the LORD personally going through the vineyard and starting to trim single vines. At one HE cuts not much, but at the other quite a lot. [[John 15:1-2](#)].

**And then the Spirit says:** I have to trim you, so that you bear more fruit than till now. And even if I have to cut deeply – my children – and even if it hurts, it is necessary. Because I never cut too much and never too little, as I am your GOD. And I want to help you on your way. I will show you where something is wrong, I will show you where you have to think again about your life so far.

For there is always a reason that I have to do it. I do not do it because it is my will, but I do it to help you and because I have to do it.

So everyone should think about it here if he was trimmed and has need and pain and sadness in his heart. It is necessary to trim you so that you bring fruit that remains.

My love is it, which has done this in any of you and does it again, so that you bring the fruit that I have I mind.

The disciples were on the sea of Galilee and Jesus was with them in the boat, but HE sleeps. A strong storm comes and the waves are higher and higher and enter the boat. And the disciples look 'What is going on with the LORD?'. They scoop and scoop and finally they run and shake him and call 'Lord, Lord, don't you see that we are spoiled?'

And Jesus gets up and commands the waves and the wind. And there is a deep quietness [[Matthew 8:23 foll.](#)]

Then HE says: 'You of little faith why are you so frightened? I am in the boat and even if I sleep, I have everything under my control. If I am here you must believe: **'You have the protection that you need and nothing can happen than that which passes by me'**

And so I want to strengthen you thereby in your faith totally anew. I have commanded the wind and the waves. I am the LORD of the situation and I have your life in my hand. I watch over my church, I watch over my children.

... on the shore of the sea, with HIS love, HIS mercy.

There is a beautiful glow over the water. HE stands there and entices M. She stands above HIM on a springboard. She crawled up and stands now on this springboard and intends to jump into the sea of mercy – and again and again she thinks: 'Shall I, shall I not' and the LORD calls her: 'My beloved child, have courage and jump because I will catch you in my arms. And as I surround you with my arms, so surrounds you my love.

My love is like a sea, my love surrounds you, my love does good to you, my love gives healing, in all and everything, where you encounter problems, where you are fettered, where you are still learning. Come, dive deep into it, feel my arms surrounding you, feel the water of life as it washes around you. I do want you like this today, I want to do good to you from tip to toe, my child, that you experience: '**I do not do things by halves**'.

If I do something then I do it in a way which only I can do, your GOD, who loves you, who carries you, who directs you through everything. If you think you cannot go through then ..., do not look to men, but look to me. Feel my love and feel my hands, who direct and guide you.

Put your hands into mine in the morning, let you be guided and know, it will be a wonderful day, if you go at my hand. Nothing will touch you, that frightens you, but you will say again and again: 'The LORD is with me and the LORD promised it'.

Therefore believe, trust and totally rely on me, on your LORD and give me the honour in all things. Let all unbelief go, let all fear go, let all doubt go and trust me and I will never disappoint you – **says the LORD**.

**for H. – 8/11/2000 - through Ilse**

... your life is in my hand.

Many years ago I said about your life: 'I want to make you beautiful, my daughter'. For eternity the outer beauty is totally unimportant, my child. The inner beauty is important, that you are transformed into my picture, from one clearness to another. I am it, your master, who does it. I started it many years ago and I go on doing it.

Therefore start praising me and thanking me regarding each difficulty which enters your life, because more difficulties are to come, but with your LORD you will jump over any wall. You will not go around the obstacles but you will vault them, but do not let go your view from me. Look at me. One look at Jesus and everything changes. Learn it to come to me first in a situation, learn to listen to me, learn to ask: 'LORD, what do you want me to do?' And you will receive the right answer.

Let go of everything else. It will be of no avail and it tears you down, but ask: 'LORD what do you want me to do?' And then you will have the right direction by me. Because I am the LORD and there is no one else. I am your LORD, I do want to underline, **I am your LORD. And you are mine, you are my child.**

Bought by the blood of Golgatha. Bought through my life and death. Think of it, again and again, if you pass heavy hours, what cost it was for me to redeem you, to pluck your life from Satan. Because I have plucked you from the darkness and I have put you into the light of the gospel and into love.

I put you into the love and you, you have learned to love how you never loved before. And you learned to be merciful. I have changed your heart of stone [[Ezekiel 36:26](#)]. I gave a heart of flesh into your body and you learned to praise me in the Spirit and in the truth. Hold on this, my daughter, and proceed in the school of your LORD and once ... start before your LORD.

You will be crowned as it is written, the father crowns all, who obey and who love HIS name [[2. Timothy 4:8](#)]. Walk at my hand and train to obey and I will also give you a heart of obedience, my daughter, so that you can

follow me in obedience and then I can use you in my tasks in a wonderful way. But praise me, extol me, vaunt me, and thank the LORD. I started the good works in you and I will finish it to the honour of my name.

And I want to tell you today that I will make wonderful things out of your life. And you will reach a new dimension – through things which you sense as heavy, things, you sense as burdensome, yes I want to guide you through. Therefore do not be frightened if a need and many a problem will come to you because it had been enacted by me and it serves for your conversion and transformation, if you keep your eyes and heart directed to me.

Never look on men, do not count on men, but depend on the LORD full-heartedly [[Proverbs 3:5](#)]. Yes, then HE will direct you right. I have enacted difficulties into your life, because you need that, you have to be changed, you have to become small, so that I can get big in you. You know yourself very good but I, the LORD, know you even better.

And I want to proceed with you, you must not be afraid from anything, for I, the LORD, go at your side. And nobody, nobody, can harm you with something that is not accepted by me. And everything crossing your way shall serve to change you. And finally this will be superbness. **So speaks the LORD.**

Therefore go ahead and thank me, because you have been chosen to also be a cross-bearer. **So speaks the LORD.**

And I not only place a cross on you but through you I want to meet people and they will be touched by what flows from you. They will be impressed. Because I personally want to use you, act through you. **So speaks the LORD.**

I have a plan with you, I have a plan for your husband and I have a plan with your children. And I will accomplish it, because we are in the last days and I need my servants and maidservants. It is completely unimportant, whether small or big, everything comes from me, **says the LORD**. Also the small things in your life come from me, and also the big things in your life. For the not too precious and expensive things I am as well responsible as for the big things in your life.

Everything comes from me. As I can give you small things, which do not give much, I can give you also big things. Because everything is in my hand. **So speaks the LORD**.

And I feel also that you have a talent to keep calm in the situation and make the right decision.

But I see also that the people helping you already in the game, rely on you and that the LORD will command you in the near future to pass your role on, u. e. that you can lead other people into the teaching, how they can be sure in this game or in the way to work and to take over your role.

... I have a picture and I want you to check this.

I see a vacuum – which is normally impossible in the creation. I see how your lung is a vacuum, she is vacuumised and I feel: there has to be oxygen in it. Oxygen has to enter your lung. And I feel very strongly that I should pray for your lung and that you have a room in your heart that has a similar vacuum.

I compare this with a normal cellar. And this cellar, with installed light, the door can be opened but it isn't open. And I see somehow that there must be a connection between the vacuum in your lung – whatever it is - and the cellar door has still to be opened. And I see also that in this cellar door there is nothing of which you have to be afraid, but somehow it is like a kind of private atmosphere or your ego say: This is private, that is for me. I don't abandon it.

I feel that you have come quite a way with Jesus. HE can use you and HE will use you. HE wants to use you more in the service that HE has promised to you, but HE doesn't want you to build GODs empire only externally but also internally.

You shall take this you shall not wrap it Because your sentences your assumptions is what comes from you. GOD has given you HIS word and you shall take this. This you should use, you have to learn to speak this 'anyhow' bravely when facing the situations. This is it that GOD wants to teach you – even if the situations depress you – that you learn it to say again and again: 'Anyhow, GOD will make it differently and 'anyhow' HE promised to me ...'

And that is a heavy lesson, you tend to be depressed and, my daughter: Take my promises [[2. Corinthians 7:1](#)] which I have given you- Take them because I have filled pockets. As David took the stones at that time, take them and throw them towards Goliath, who besieges you day and night., throw them into his face and he will fall. Throw them.

Take your tongue and throw them with your tongue, throw GOD's word ad it will hit him like a stone. This I tell you, my daughter, learn to do it and you will have the victory. So know: your child is secure in my pierced hands. Is there any more secure place for your child ? Therefore, when hardship and fear come and Satan tempts you then have this picture in front of you: Your V. (daughter) is secure in my divine hands.

I have bought her life through my death on Golgatha. I have called her with her name, she belongs to me and is drawn into my hands und no power of darkness can touch this treasure. She belongs to me, she is my own. She is your child, but she is owned by me. And I know, my daughter, that she has pleasure in being in my hands.

And so I want to tell you, the grandmother: I want this fruit, this hardship today ... and Satan shall no more have the admission to bother you. I am the LORD and the family is the family of GOD into which you have been baptized and born.

And we will build a prayer wall around all who are in hardship, because I have to consent this only for you to proceed in your prayer motivation. You have to pray more and lay your hands on the throne of grace [[Hebrews 4:16](#)] and cal: **LORD, we don't let you unless you bless us.** And I am the one who wants to bless. **for M. – 3/30/2002 – through Friedrich:**

I have seen a pretty narrow canyon, very high. And there I saw M. in this canyon. I saw then how this canyon ended, e pretty narrow canyon. He walked with the back to me.

**The LORD tells you:** My son brave it still. It is still a short way to go. Then you will see in front of you the light, becoming lighter and lighter and you will escape your hardship. It still is a short way to go – says te LORD, then I will touch you – **says the LORD.**

**through Herbert (Dagersheim):** The LORD tells me absolutely clearly that you should put all your trust into the LORD. Even if it doesn't become better right now, you shall not throw away your confidence, but trust in HIM even more than before, because confidence will have a gratification [[Hebrews 10:35](#)].

**through Ulli:** Blessed is he whose transgressions are forgiven, whose sins are covered [[Psalm 32:1](#)]. Lucky the man to which the LORD the sin doesn't attribute and in whose spirit is no false. For day and night your hand was heavy upon me; my strength was sapped as in the heat of summer [[Psalm 32:4](#)].

I will instruct you and teach you in the way you should go; I will counsel you and watch over you. [[Psalm 23:8](#)].

**through Ulli for him and M.:** There are two perspectives of a stair. One is GODs perspective, where every step is of the same height and the other one is your perspective, where the first step is relatively small and easy to take and the higher you come – that is the feeling of both of you – the steps become larger. They are higher and the step you have to make needs more effort.

**But GOD tells both of you.:** The stair leads to my glory. It leads directly into my glory and even if you feel you cannot get there it is still the same distance. There are no difficulties. It is your way to look at things and I ask you to see the whole with MY eyes.

I shall guide you, I shall lead you, I shall give your steps/your feet a firm stand. I will put your feet where they get the security of these steps/stair and I want to show you and tell you: 'This way leads into my glory.

There is no ,if' and ,but', the step length doesn't change, even if it seems to be so for you that they are longer and the way is getting more difficult the more you approach me. This is not the case. It is just your things and your loads, which you still carry, because you think you have to give something from yourselves to it. It is my power, which lets you do the steps and it is my power which helps you to carry such things. Trust in it: 'It is the power of the LORD, which you have and which is made available to you [[Isaia 40:31](#)]

**for V. (mother) and V. (daughter) – 6/21/2002 – through Friedrich:**

I see V. with a rope around her hips, tied to a peg. I see that she looks back and draws. She can't free herself.

**The LORD told me:** In any case V (daughter) should start to have fellowship [[Acts 2:42](#)] with other young people. She shall no more stay alone that is no good.

Now I see you V. (mother ) with half-raised hand formed like a scoop and I see that there is a precious stone in these hands.

**And the LORD tells you:** My daughter, I have given this child to you and it is in your hands. And it is a precious stone, she is something wonderful – **says the LORD** – and I thank you and I am happy and emotionally moved, that you see it like that as I have given it to you. And I ask you to keep on praying. Do not get tired.

This child is a precious stone and it will develop in exactly this direction. It will develop like that and you will see

what I have given to you. It is a good gift that I gave you and I tell you: In my eyes she had been chosen and precious and I have chosen you to give you this present. From the beginning of the world I have put this present into your hands.

Know, and never forget, how precious and valuable this child is to me, this present. It is a precious stone. My daughter keep it. Do not get tired and realize: She is put into your hands. And there she shall remain – **says the LORD** -, there in your hands. In your praying hands.

Do not become tired. Look, I encourage you today, do not get tired, do not give up, then you will see the fulfilment – **says the LORD**. You will see by far more than you can ever believe. **So speaks the LORD**. Stay with it.

**For all:** Also you go on doing this service. As I am the LORD and I look for people like you, priests [[Isaia 61:6](#)] who stand and fumigate, who take their time to come before me. Where the pleasant smell of prayer ascends to me into my heavenly throne room. I the LORD have set you and I command you to do it.

**Later through Friedrich – for V.:** When we were praying in the circle I have seen that this precious stone wasn't polished yet, it still is pretty raw. But I have seen that it was pressing into your hands.

It ached you and **the LORD tells you**, that this pain which HE had also suffered. It is a tiny piece of it and you part this with HIM.

**for V. and her daughter on – 7/12/2002 – through Friedrich:**

What I feel inside is that the LORD says the V (daughter) has a solid foundation with regard to learning and knowledge. GOD has built something into her life.

But I see something else: V. is like a figurehead at a ship's bow, as she parts the waves and goes ahead.

**The LORD tells you (mother):** Do not be afraid of difficulties and waves, because I carry her trough – **says the LORD**. I shall do it, I have accepted her, she is my daughter and I will do everything needed for her to get through – through waves, through counter flow, through storms -, **I the LORD**. She is bound to me and I will never let her go. Do not be afraid – **says the LORD**.

**for U. – 12/27/2002 – through Erika:**

I have the word from the women with noble character [[Proverbs 31.10 foll.](#)]. In me it says: Power and beauty are her robe and she laughs for the coming day.

**through Friedrich:** I see the hand of the LORD before me, with this piercing, and the LORD tells you: I have drawn you into my hands [[Isaia 49:16](#)], you are written into my hands/my piercing with your whole future, all what still comes.

And I want to call to you: That you always think of it, that you are written into my hands, centrally. I shall not leave you – **says the LORD** – nor come too late, nor to miss you [[Joshua 1:5](#)].

Keep it, my daughter: I will never leave you, I will stand by you and with you. I will help you, know that I will always be very near to you. Do not slip that out of your spiritual dimensions, these thoughts, that I am always very close to you.

I was it, I am it and I will remain it because I love you so much – **says the LORD** -, estimate you very much – **says the LORD**. I want to strengthen you, strengthen you, as only I could strengthen you.

I want to form your life, your personality – says the LORD – and you will have joy, if you see what I will do in your life.

You will really be a blessing – **says GOD** – because I want to endue you with a larger richness, a bigger authority, and I want to surround you with an even bigger charisma of my character – **says the LORD** – with a freedom which you do not yet have – **says the LORD** -, I will give it to you. It will come from me: From my heart to your heart – **says the LORD**.

**for U. + M. – 10/22/2004 – through Friedrich:**

I have seen small waves, which flow, as if the y were drawn to a piece of paper. And then I have seen a thunderous river, like a wild water. **The LORD says:** My children, look, all what you have seen so far was just the beginning. That was a small proof of my power, my mercy, my glory. But look, that is by far not everything.

**The LORD says:** I plan to release my glory and power mightily, like a river. And you will see, **says the LORD,** you will come thus far, that, if no healings [[Acts 4:30](#)] happen, you will ask: 'What is going on tonight?'. **So speaks the LORD:** It will be a part of your life, that my power will flow through your hands, **says the LORD.** A part of your life, it will belong to it!

**Therefore says the LORD:** Stay in front of me, believe and look ahead. Because I have big plans – **says the LORD.** And whatever happened to you so far, will be seen as minor, compare to what I shall do.

**The LORD speaks** also to you, M.:

My son also in your life the time will come that it will be like that, where you will forget everything else that is already behind you. **So speaks the LORD.**

When I do in your life, what I will do. And it will come – **says the LORD.**

## - Freedom/Release

**for K. – 9/15/2000 – through Ulli:**

A hole in a cloth which – while Friedrich spoke – was stitched up and a voice said: 'Go on, go on'

And then this closed hole changed into a cross that seemed to be unknown to me and then again and again the voice: 'Go on, go on' and then all of that changed into the cross and Jesus said: 'Take up your cross and follow me' [[Matthew 16:24](#)].

And I can see that also for you K.: Take up your cross and follow HIM. Not the others. The things which look similar, but take up your cross. We stood in the gap for you but you have the confirmation from the LORD that you should follow HIM.

**through Friedrich:** ... and I see, though not totally clear yet, it was like a work-piece that was loosened from a central place. I saw as it was unscrewed and some kind of appendage disappeared. And I believe that there is still something out of your past – was or is -, brother, and that tonight the LORD has made a cut. And the things which you have drawn after you, which literally 'glued' at you,

Because if one has had such a way, come so intimately into the whole story (= Scientology) it is not easy to leave it again.

And tonight I have seen that – it seemed to me something like a driveshaft, it may well be that it was a wrong driveshaft, a matter that disturbed -, and I tell you, that the whole complex had been loosened, it was fixed with 4 screws.

Please repeat word by word what I am saying now, K: (**Friedrich prayed the 'liberation prayer', which K. repeated**)

### **Liberation prayer:**

"Dear LORD Jesus Christ, I accept your invitation and come to you with all my sins, problems and addictions.

I turn away from all evil, and turn to you, LORD Jesus Christ

I put all my trust totally in you, you are the son of the living GOD.

I believe out of my whole heart what I confess with my words now:

You are my redeemer, my LORD and my GOD.

I do thank you that you have adopted me as your child and open myself for the Holy Spirit, and I will follow you all days of my life.

I trust in you and cede me to your guidance

In Jesus' name

Amen"

And I see a flag fluttering above you and the wind, moving this flag, is the Holy Spirit. And I feel deep in my heart that GOD didn't only call you and that you (K. and his wife O.) not only have been saved, but that GOSD will use you pretty much. He will make you witnesses, who are attractive and good. I see how you stand there, the both of you.

**for M. – 1/5/2001 – through Friedrich:**

... when M. started praying I had an impression: I saw the disk of a tachograph. I have seen three parts on this disk, three different speed areas. A lower one, a medium one and one on the edge – full speed: And I have seen, that your company is situated in the medium field. You left the small phase already, you are in the medium phase. And the 'full speed'-phase is not yet reached.

But it is pre-designed, you understand: Pre-designed. There will be coming a time where you will go 'full-speed', your company, but in the moment you are in the medium field. I know exactly, I have seen this in my heart, it is the LORD who accelerates.

**The LORD tells you:** My child, my daughter, look, you are in my hand and I direct the speed and I direct everything that happens in your company. And I tell you: Leave everything to me, cede it to me. And I, the LORD, am the one sitting at the steering and I will guide and lead you.

Yes, do not be afraid, do not become disheartened or impatient, I shall develop qualities in your life, which have to come, my daughter, you cannot remain as you are. You have to change, you have to change much. In the direction of a heavenly being. For this I use the things and situations into which I have directed you: That you are changed and that you handle these problems divinely. You are missing this from time to time, my daughter, you often think: You have to do it, you have to move it, you with your own power, try to put things out of your way.

You become tired, because you can't. And you have to cede this to me, you have to look at me. I, the LORD, will do it. I will give you an answer for all your questions. I will give it to you - **says the LORD.**

What I say tonight is, that this intense looking for me, coming seven times a day, will also lead you, also into the awareness what has to be done. I have said it and I would to call you to look for me intensely during the next time.

As you have heard, in which situation ever it will be, you can come to me, can look to me. I will raise your company, from the phase where it is now. It is going on – **I, the LORD, will do it.**

**through Ilse:** ... a street and on the right side there are traffic signs. And on each of them I see a fruit of the Spirit [[Galatians 5:22](#)].

It is written: **Love.** And the LORD says: I am the love and you shall pass on from the love I gave you. Then they go on.

There is written: **Joy.** And I call to you: The joy in the LORD be your strength. You do not need to care. Simply rejoice, let the divine joy enter your hearts..

Then comes **peace.** Also the peace: I give you this peace, which is higher than all human rationality. This peace will remain with you as a family.

Love, joy, peace, **patience:** Also patience I will give to you. It is written: Patience is needed, that you recognize GODs way

Love, joy, peace, patience, **humility.** I have given you an example, my children. Learn from me: I am gentle and humble in heart [[Matthew 11:29](#)]. And again is written: 'You will have peace in your souls'

Love, joy, peace, patience, humility, **gentleness:** See, it is written: I am gentle. And also humble. Let this enter your hearts, be also gentle and humble in heart.

Love, joy, peace, patience, humility, gentleness, **virginity.** That is the last one. I want to put this fruit of the Spirit into your life and I want to help you that you reach this fruit, that it will be obvious in your lives.

Therefore be confident and undismayed: What I planned I will fulfil always to the glory of my name and to the best of my children. Amen

**Friedrich** ... the intense prayer ... is very important [[1. Timothy 2:8](#) and [James 5:14](#)]

**for B. – 6/29/2001 – through Friedrich:**

While praying I saw a picture. I have seen your left hand. Normally the left hand is the one with which we cannot handle things too good. And I have seen this hand starting to move.. The fingers, that moved and I saw a ring around your forefinger.

I received the impression that GOD will give you a gift [[Ecclesiastes 5:19](#)] you get a gift from him which you do not have so far. He will give you the gift and HE will teach you to handle it. He will do that and it will do good to you and to others.

**The LORD tells you:** My daughter, look, you do not know me yet the way you shall know me. I, the LORD, want to have a deep relationship with you. I love you very much and I want to reveal myself to you in a new way which you do not know so far.

I have undertaken to do that. And I will give you a gift and you will be surprised and you will see that you can do things – also spiritually – which were not available to you and where you were shy so far, and could not do it ...

I, the LORD, will bring you to freedom and I will bless you, **says the LORD**, you shall be a blessing and a link in all these situations. And I will give you a certain anointment to handle things right. **So speaks the LORD.**

Simply through your presence as well as the anointment [[1. John 2:27](#)] which I will give you, something many a thing will be solved if a storm should come. **So speaks the LORD.**

**for S. – 8/31/2001 – through Andreas:**

I have thoughts of love and peace over you. I want to rectify things in your life. I want to show you my way. My word shall be a lamp for your feet [[Psalm 119:105](#)]. Amen

**Through Ilse:** ... and who offers thanks, praises me. And this is the way that I show to him the salvation of GOD:.

My daughter I would like to put giving thanks and praise into your word and even more into your heart, because if you start to give thanks in every situation, especially when they are tough, then I am nearest to your heart, because I also do have thoughts concerning everything and I want to teach you: If there are tough situations ask me and I will give you the power needed that you thank me.

Whatever, how it is, how you feel, however challenged you are, if you are hopeless: Start to thank me and in that and then I will change all things and it will serve to your best, because it is written: Who offers thank offerings praises me. [[Psalm 50:23](#)]

**And it is important that you praise me about everything, give the honour to me and look at me.**

I have said it before: Look at me and then you will have the power of the Holy Spirit, you will be an overcomer, you have to overcome in this situation. Then you will climb up step by step on this prayer ladder until you got through the darkness. Behind this darkness is the glory of GOD – and you will get through. And you will be joyful and satisfied and show others the way, which I have shown to you.

You will be a blessing for your ambience, if you obey, my child. Because obedience is better than all other sacrifices [[1. Samuel 15:22](#)], Follow me, praise me, thank me and then you will realize: I am a GOD, who fulfils HIS promises. Trust in me with all your heart and do lean on your own understanding. But believe, trust and go forward – in Jesus' name.

**for R. – 3/8./2002 – through Friedrich:**

R., I see you standing, you are far away and I feel the LORD wants to tell you something. He desires to tell you that you should not be so far away from him. HE would like to have you near to him, you should not think that you are not worthy in HIS presence, because the LORD loves you.

I shall tell you that you should come near to him.

**HE tells you:** My daughter, I look to you very often. When you stand there and look sad straight away – just like that, just into nothing. I look to you, I want to tell you that you should look at me and come to me. Because I love you – **says the LORD**.

I am the good shepherd and I want to encourage you, ask you, that you reflect about what it means: **'I am the good shepherd'** [[John 10](#)]. And I love my sheep and I long for them. And I love also you, my daughter. I have drawn you to me, many years ago. And I still have the same joy looking at you.

Do not punish yourself for things out of your control but believe me, trust me, that I am good. That I understand you as nobody else understands you. I understand you – **says the LORD** – and I see your heart. I know how you are, and I do not judge you – **says the LORD**. Come near to me.

Let me tell you, near by me: Do not be afraid. The condition in which you often are is not from me. And what you feel is not from me. But the enemy tries to hold you far away from me. Because HE doesn't like it if people realize my love and learn to talk good about me.

**Therefore I encourage you:** Come to me. Think of the word 'Come to me all who are weary and burdened, I shall give you rest [[Matthew 11:28](#)]' . This is what I want to do with you. Come to me.

**Through Ulli:** HE reminds me of the childrens' game where one draws: 'This is the house of St. Niklas'.

And if one starts right and ends right the whole house is drawn with one stroke. And I see you always at only 4 different strokes and you try to do it, however, you don't reach the target.

**And the LORD tells you:** I want to direct and lead you [[Isaia 58:11](#)] you shall lean on me and trust that I show you the right way in order to reach the target.

**for R. – 3/30/2002 – through Herbert:**

I see a ship and you are sitting in this ship, you, your husband and your kids.

And I see storms and difficulties approaching this ship. And I see the ship torn by the waves up and down. And I see you are afraid. But right in these moments there is somebody else in this boat. Who holds the steering in HIS hands completely, and who commands the wind and the waves.

**And I hear in my spirit:**

Look, my child, I didn't promise that it will be completely calm in your life, but I have promised that I will hold your life in my hands, that I will guide you and direct you through everything.

Trust these hands, set everything on these hands, which will get you through everything and I will richly reward you.

**Through Ulli:** I see a picture of the Statue of Liberty. And HE asks you to imagine you were this Statue of Liberty .

- **The crown** is the crown that you have as a child of GOD.

- **The torch**, held upright by this statue is the light of GOD that you carry into your family and within yourself and at the same time it is a symbol for you outstretching your hand for HIS help, that you get from him the light, the direction, the help, which you need for your daily life. Which HE is going to give you and which you need.

**HE speaks:** You are this child, that is led and directed by me, which I hold up, that I make steadfast, to which I give a strong base and to which I show the right direction if it holds my hand.

**for S. – 8/30/2002 – through Ilse:**

I see a strong rope and I see a flex-machine a cutting wheel which comes and cuts the rope.

**And the LORD says:** Look, my daughter I have set you free today. I have cut the bonding which came due to your negative experience, the negative happenings entering your life - because you didn't handle them the right way

and thus you supplied yourself to these influences which are not from me.

And look, I, **the LORD, tell you** today that I have freed you. Take this day, take this evening as the moment when I freed you. And do no more accept, no more accept, these alluring attempts, with which Satan still tries to enmesh you.

You are free and must no more be afraid. And I want to call to you: My child, I am a mighty GOD therefore I tell you: Do not be afraid. Who is bigger: The Satan or I. What do you think ?

Therefore I tell you: Do not be afraid, because I, the LORD, have your life in my hand and I will guard over your life.

I see [Psalm 91](#): ,He, who dwells in the shelter ...

And the LORD encourages you that you believe in HIM, that you start to train your belief. That HE holds HIS hands above your life and you must not be afraid.

**You have to refuse these thoughts which come and say: ,Satan, in Jesus' name ...**

**The LORD says:** HE will give you adventures so that you are convinced that HE really cares for you. You hear this: HE will give you adventures so that your trust grows and that you become strong in your faith.

**So speaks the LORD: Therefore do not be afraid and go in peace.**

**for T. – 1/3/2003 – through Friedrich:**

I see you from behind, sitting in front of a chess game. I have seen your face for a moment: You were concentrated and calm, but also sad. And then I have seen part of the chess game there was a black figure on it. It was there and because of this black figure you could not go on in this game. That was the barrier.

And then I have seen that you are loosing your concentration because of permanent disturbances coming from a side – as if hands are waggle before your eyes and disturb your sight. And I have seen you from a certain perspective: you were under me. And suddenly it was clear to me: This wasn't my perspective but GODS perspective. And I know, T., that was the first I received: **The LORD is with you.**

And then I have seen a hand coming from behind you, on the left and took this figure away and to the side. It was the hand of the LORD. HE interfered into the situation and took the hindrance away. Very easy, very sovereign and calm, without much fuss he took this figure away. And the situation or phase was finished.

**I should tell you from the LORD:** My beloved child, believe me that I do have everything in my sight also your personal things. I have everyth8ing in my sight and take care of you - **says the LORD.** I am really with you – **sys the LORD -**, I am really with you and stand behind you – **says the LORD.**

You have me in your back and I strengthen your position, I strengthen your back – **says the LORD.** I want to encourage you: I will outstretch my hand and I will put aside what hinders you personally – **says the LORD.** Because I am the LORD and you are my son, my child.

And I am here for you – **says the LORD** – you should lock this into your heart. It will cost me only one move of my hand, you will realize it, you will feel it. And I will not accept it furthermore that you are disturbed and distracted. **So speaks the LORD.**

**for I. – 4/25/2003 – through Friedrich**

I see this very clearly before me, as the hand of the LORD is coming and puts away the matter and you reach full freedom – **so speaks the LORD**

**The LORD says:** My daughter, I am still working on you ,shepherding'. I am the good shepherd I take care of my sheep and you know it: I am only satisfied when you have reach the best condition which I expect as a shepherd. And I want to make you – my daughter – a healthy woman of belief. Also spiritually to bring you into it. I have planned it. I will loosen and guide you and you will breathe freely again – **says the LORD..**

## - Guidance/Sign-posting

for M. – 9/22/2000 - through Friedrich

... I am really not an oracle. GOD has to confirm this, however, all the time I see 3 pictures:

- The first picture is **a truck with twin tyres**. It is the left rear one that slips. It spins on the spot and doesn't move
- The second picture I see is when **the hand of the LORD** mounts a driving assistance to this tyre, like a tyre claw. And I see how the hand of the LORD mounts it. That is the second picture
- And on the third picture you and H. are sitting together in **the same cabin**. I see you from the back through the rear window.

„Look, all what you envisage and all what happens has to pass by me. Look, if I do not give you my help there will be no advancement. I am your GOD and I am with you all the time.

You must know that: I am always the third in your alliance. But what I want, for now, **says HE**, is that you become a strong team with your husband. That you move closely together because if you become a team, as I imagine, then nothing will be impossible for you, what I will show you.

**I want to tell you, my daughter:** This is my will for the next time that you and your husband become what I planned: Move together and I, the LORD, will guide you further, step by step. **So speaks the LORD.**

for M + U – 9/22/2000 – through Friedrich

I am the one acting in your life and you know that. And look, I give you impulses, I give you thoughts, I give you guidance and I want to tell you, on this evening, that I will not leave you in ignorance. You will not have half knowledge of my will but you will know my whole will because my sheep hear my voice [[John 10:27](#)].

And I will inform you and you will know exactly what you have to do. What is available today as a first idea will be made by me to a full certainty – so speaks the LORD.

**Through Ilse:** ... house, in MY name, houses me. So think of it: With ME you are the threefold rope [[Ecclesiastes 4:12](#)] and if you approach something in prayer I am with you. And I shall guide you through my Holy Spirit into the direction which I evaluate as the best for you.

So you can go calm and relaxed any way, because I am there. I am the one who smoothes everything and if ways are stony and the doors not opened, so I am the one to smooth the stony ways and who opens the brazen doors, who brakes the iron bars, **as I am the LORD.**

**And when you have to pass through the water, it will not sweep over you, and when you pass through the fire, there will be no smell of burning at you [[Isaia 43:2](#)].**

Because you will come into challenges and tests, therefore I tell you today:

**„I have stepped into your midst and I hold you and I guide you and care for you, the whole family, and the heat of the day shall not irritate you – when you are tested’.**

You have entered already many tests, but also from this test you will go out un-damaged and full of joy and in belief and certainty: If GOD is for you, who can be against you [[Romans 8:31](#)]. Trust in me, and believe: I am with you and together we are the threefold rope. Again and again, if you pray, I am there. So let you be filled and listen to what my Spirit has to tell you.

I guide and direct you and I bless you in my name, so that also you will be a blessing for your brothers and sisters. And wherever you go you shall be a blessing and my name shall be glorified. **So speaks the LORD.**

for M. – 4/12/2002 – through Friedrich:

I see a wind blowing. This wind will take away everything, he will not leave any remains. This is the wind of GOD. I **believe GOD is saying:** If you obey and do everything what I say, then I will heal you in a way that you will praise and glorify me, as ever before.

But I am a GOD who leads you a way, I am a GOD who has a plan with you. And I have a big and good plan with you. Whatever happens in your life now is preparation.

Don't thin, when you are sitting in your office alone with your PC that this is all what I have intended for you – **says the LORD**. No – **says the LORD**. This is just an intermediate station, a piece of preparation, a piece of desert, a piece of waiting, for the real task which I will give you.

Look, I will give you a task. I will set you on the road during these last days, will use you and your courage that you tell people about me and lead people to me. They will convert abruptly when they come into contact with you. I will give you a very special anointing, a very special charisma, which can not be withstood. The people which I am going to show you will collapse and will admit that GOD is within you and that HE is a big GOD. **So speaks the Lord**.

Listen to me, listen to me and obey, in the least things. Because you have a development behind you which was breathtakingly fast. You have passé a 'crash-course' – as you name it in the world – these 10 years. What people had to learn in 20 to 30 years I have served to you in 10 years after your conversion – **so speaks the LORD**.

I shall guide and lead you with my eyes, you will see everything what I expect and demand from you. And you will do it. And this tremor will disappear, because I am a mighty GOD, for I am holy.

And whatever I do – which doesn't please you in this life, my children – is that you get part of my holiness. I will lead you into it. I guide you and you let yourself be guided and you know exactly how, where and what.

I am not a GOD of schemata or forms but I am a GOD of freedom and guidance by the Holy Spirit – **says the LORD**. And I want this to be known to my children – especially during this last time – that I still lead today by my Holy Spirit.

And you, my son, have been commanded by me to become somebody lead through the Holy Spirit. Do not be afraid, I have big things for you to come. And if I say 'big things' you can put that in your pipe and smoke it. That is true !! You can make a note on your desk: 'The LORD has planned big things with me'.

**And I am going to do that, says the LORD. Upon my life - asys GOD.**

I see a clear picture. You are going to draw circles. I see concentric circles. It moves fast.

**for M. – 4/26/2002 – through Friedrich:**

I see a folded paper.

It is folded and I know something is coming to you, M. I have the impression – I can look a bit into it – that it is a map. We shall see what it means. There is something coming to you, you are going to do something which GOD places before your feet. Something is coming. It has some relation to your business. Perhaps you have to travel again.

**Through Ulli:** I see all the time a picture, it is before my like a candleholder. And all what I see is just one arm with a candle on top. And if I look to the table I see some additional individual parts. And the LORD polishes each single one and re-mounts it.

**And HE says:** The candleholder isn't ready yet but I am working on it and it will be ready soon. I have to clean everything then I have to polish it so that it suits my glory. **This is the word of the LORD to you.**

**for U. – 1/3/2003 – durch Friedrich:**

I see a stair in an antique building. And I see you climbing up this stair. Your face turned to the light that shines through the big arches, it was a very very impressive picture.

You climbed up there and on your face was the typical smile, that you have, the corners of the mouth turned up, very relaxed, you climb up there, didn't reach the top yet. On top is a beautiful clear light, a Roman arch.

And up there were waiting two, three persons, which I can't identify, as the light is in their back. You climb up and I know that you are going to have an encounter. I do not know what that is. It is an upward trend, also in your spiritual nature.

**The LORD tells you:** My daughter, I am the LORD, your GOD, and I do have thoughts of freedom concerning your life. I have prepared everything you are on your way with me and I take care of it – and I will do it – and I start that you are climbing up to me out of the grey zone, in which you have been.

You were on your way with me and it was going up but – you know it yourself – there was a grey zone in which you have been. It was not dark, but it wasn't so light, you longed for the light. Look, I want to tell you something, tonight, you are approaching the light that I have prepared for you. You have expectations in your heart and I want to fulfil these expectations – **speaks the LORD.**

**through Friedrich:** Now I know who these persons are, u., who have been waiting for you up there: These are Father, Son and Holy Spirit.

You are going to have an encounter with Father, Son and Holy Spirit, U.

Prepare yourself, you are going to have a blessed, merciful, encounter with the LORD. This has been prepared by HIM.

**So speaks the LORD:** Do not be afraid, my daughter, look, I come towards you and will reveal myself to you.

Even if you often thought it wouldn't be so: I will reveal myself to you. I do have a great interest in meeting you anew, you need it – **says the LORD** -, you need it, I want to do something new in your life.

While we were singing and I have been sitting on my chair I saw an old calculating machine, as we had it more than 20 years ago. The kind of cash register with crank lever with a ringing bell. Where the knobs had to be pressed down.

I saw how you handled this machine and everything worked well.

I want to relay from the LORD what is in my heart and **what the LORD tells you:**

My child, do not be afraid. Look, I want to give you wisdom, competence. And I will lead your hands so that you are not afraid of the things which cause distress. Because you are my child and I am also responsible for the. I will carry you through and – yes, it will be more than just 'carrying through', **says the LORD.** You will go through it on a good way, on a flattened path – **says the LORD.**

For the grace, for the joy, for the glory of my name. And I will also let you have glory.

**So speaks the LORD.** And come again (into [\[JuMB\]](#)) – **so speaks the LORD.**

... HE will set you free from a matter which causes you distress.

**for F. and E. – 10/22/2004 – through Ulli**

... has a braided log. Three logs which are joined together and which form a massive crown. On top. There is one log Erika and one log Friedrich and the log presenting HIMSELF. And all that combined in the Spirit which moves here.

All of it is combined through the fact that they are braided because the LORD always binds himself to both of you. The whole thing is 'topped' by the massive crown, which has this tree and that is [\[JuMB\]](#). This crown, that spends shadow and freedom. Where we can come again and again, to this place, where there is blessing, where one can be in the light, where one can feel safe. Where we are blessed by the LORD, because the two of you are blessed and you cooperate with HIM.

**Through Dieter out of Proverbs [Proverbs 2:1-8]:** ... because the LORD gives you wisdom. The LORD will give you - who you are sincere - success. HE is a shield for you, you believers, and HE guards you if you do right. And HE protects the way of his faithful ones.

## - Strengthening

**for U. - 8/11/2000 - through Ilse:**

... a picture that I had many years ago.

I see a vitreous elevator and U. stands in front of the door and waits for its opening. She is full of joy and curiosity ... and now the door opens and Jesus stands in this elevator and he gives her HIS hand and draws her into the elevator.

And it starts going up. Beautiful what I can see. The heavenly glory and the flowers and bushes and everything is really as in a fairy tale, there is no other expression. And they arrive and the LORD opens the door and they step out of the elevator.

The LORD Jesus takes U. at her hand and they float. The grass, the wonderful grass that they touch with their feet doesn't bow down. They step on it and it is like an elastic carpet.

And the LORD guides you, my daughter: "I show you all the glory of heaven in which you believe already now, my daughter. See, I have called you with your name, you are mine [Isaia 43:1]. And I have drawn you into my hands, you are my own, bought by my blood. My holy blood was shed for you. But I have also made you a tool of mine so that you can go now in the power and authority of my Holy Spirit. So that you are something for the praise of my glory, my child.

**I am going to use you in a wonderful way, this is why I show you now things that you do not know so far.**

However, I am going to disclose them to you, my daughter, so that you can tell to others what I tell you now and what I show you. So that they may realize what it means 'Kingdom of Heaven'. It is my Kingdom of Heaven but I cannot show you everything as you are going back to earth. However, I want to give you notice of the miracles which are here. I see the apartments, wonderful apartments.

U. is led by the LORD into these apartments and I see a house, it is a beautiful house, it is nearly finished, beautiful, a real piece of jewellery. And the LORD says: "This is your house, which you have built due to your service. You have served me faithfully and filled with devotion. You have served unselfish and always tried to show my glory and my love to people.

Yes, you have really been a humble tool in my hands and whatever you did, in my name, you have built a part of your house. And now it is ready and waits for you and your family. This beautiful house which you built, my child. I have only helped.

And then I hear a fantastic singing and they stand in front of one of the 'pearl-gates' but they cannot look inside. Only a stripe of light shines out but the glory ... of the angels, it is an angels singing.

**And the LORD says:** 'My daughter, like that all of you will stand before me and praise me together with the angels in heaven ... sacrificed your time, in which you have engaged for me ... have sacrificed your time for me. You will get the reward. Which I have prepared for you [Colossians 3:24] . Therefore rejoice in your LORD. Rejoice for what is waiting for you.

You shall be filled with new power, my daughter, my power, my godly power. And I shall give you wisdom, so that you contact people in a godly way and that people realize: 'Now the LORD is talking' and that they are hit in their hearts and cannot act in another way.

Yes, this is how I will equip you, my child. But I have shown you all of this that you have new joy in serving me even if its not always easy and it will not always be easy, because it is 'end-time' and in this end-time heavy tests come for my children.

You have to be prepared in order to become a wise virgin, but rejoice in your LORD because I am with you. And I have shown you the glory which is waiting for you and your family and all which you have brought on their way. It is your fruit, my daughter, to my honour.

I will fill you with power. I will bless you with godly wisdom, I will bless you that you are a blessing, you shall be a blessing for everyone you talk to.

I will use you, but I will also serve you, my children. I will use you in a wonderful way and you will recognize, it is the LORD, and HE will fulfil all, all your wishes, which you have in your heart, my daughter, and I know them all, my daughter, and they will be fulfilled, when time and hour have come.

Also the people which you have prayed for, my daughter, I will all of them give to you because you have been busy for them and because you didn't stop to make me tired, therefore I will always anew ... to you.

Who serves me like that will receive what I have prepared for him. The reward. So rejoice and go with joy from this place and know: The LORD talked to you and all the words I have said are Yes and Amen, because I am God. **And what I confirm, my daughter, I will keep. Amen.**

**for D. – 1/20/2000 – through Friedrich:**

I see an inner court-yard, as in the orient. So many plants, lancet arches, such a winter garden, but like in the orient, in Arabia, in an exclusive house. I see the middle of this court-yard is enlightened and on the left I saw a person sitting on a chair.

When Susanne prayed I saw how this person stood up from the chair and went into the middle where the light is [\[1. John 1:5\]](#).

**through Susanne:** I saw a door and the door opened and then the light came out: I thought she will see the light and enter.

**The LORD says:** See, my children, you have put his child into my light, you have taken her and put her into my light. I want to encourage you that you go on doing this. Put her into my light. Think of her when you meet for prayer. And she will remain in the light when you pray.

She will meet me anew because I have a wonderful way for her, where I have prepared encounters, on the way, which she is to go. Where she will meet other people through me. I care for her, I love this child. I know all about her, she is precious to me – **says the LORD.**

**through Ulli:** ... in former times: Then I talked to your son as 'Benjamin' for weeks, and he had his mother say 'please tell her that my name is different, that my name is Emmanuel'.

Yes, LORD, you remind me now that he is in this process from Benjamin to Emmanuel. That he is going to grow from a small child to a man, in which GOD resides, who was called by GOD, in whose name the 'el' is the godly part of his name.

**through Friedrich:** ... was praying, all of the time, Jesus on his throne, with his crown. And he was very big and giant. And below him there was standing I., very small. And Jesus stood up from his throne and bowed down to her and surrounded her with a coat. A wonderful coat of perfection, of authority. He has clothed her.

**Thus speaks the LORD:** See, my son, I am the LORD. I raise [\[1. Peter 5:6\]](#) and I humble [\[Iob 40:12\]](#). I cloth and I disrobe, I elevate rulers and I dump them again. I am the LORD. And see, I have clothed your spouse with a coat from my hand.

... standing at the counter, like it is available at an exhibition booth, for example. M. you lean on your right arm and look upwards. Over the right shoulder you look upwards.

**And the LORD says:** My son, see, your steps are open before me, before my eyes. I will go with you, **says the LORD.** I go with you. All the way I will be your companion. I will be near to you and I would like to ask you to look

at me.

You will feel that I am near and out of this closeness you will act., you will experience a lot with me. Therefore I tell you: You are blessed and I give wise grace, says *the LORD*.

See, my daughter, I know your weaknesses, I know your looking up to me and I know your needs. I look deep into your heart. I want to tell you that, what you have brought to me in prayer, I will solve it. I will loosen the things. And I will loosen them in the way as you have asked me. Sometimes there are different solutions available with me, but I will solve it as you have asked.

If the solution does not come immediately please believe me: It is decided. What you have prayed for will happen like that.

And I have seen a very simple picture: There were three hooks. Plugged to the wall (in a row) next to each other.

Up in heaven, at the operational centre of the universe, where our FATHER is, the great GOD, where the redeemer is, our older brother, our best friend, the LORD Jesus – in the sanctuary -, there is a place where these three hooks are – next to each other ... each one for N., S., and D (own children and a foster child). I have the inner impression that there everything is fixed that comes up from earth. There it will be, it will not go by, but it will be accepted and managed.

U., the LORD encourages you ! Pray ! He has prepared a place where your prayers – especially for the children – will be stacked and answers will come, that you will be astonished.

**So speaks the LORD:** HE encourages you, come before HIS face, you will receive an incredible answer. **So speaks the LORD. Amen.**

**for M. – 5/4/2001 - through Ilse**

... and HE placed a hand on your head and I see all the time I can see into your body as the blood of Jesus flows through your head into it, through your whole body.

**And the Spirit speaks:** 'My daughter is there a stronger power than the one of my three times holy blood? My daughter, my blood heals, my blood cleanses, and my blood sanctifies. Altogether these are 4 big powers contained in this blood and they flow into your ill body now.

The blood flows through you and into every finger, into all your internal organs, wherever pain is, wherever barriers are, in order for you to regain health. This holy blood has begun now to do the work in your body, which I want to do in your life, my daughter.

I have admitted quite a lot, I have admitted many challenges, but, my daughter, these have put aside a lot and you were willing to bow under the talks of my Spirit.

Therefore I want to tell you today: 'Lift your head, look at me. I am available I control everything with my hands and you will experience miracles. It starts, it starts acting and everything that often does not belong into it, into your thoughts and your heart ... this blood cleanses your heart from everything that is in contrast to the action of my Spirit.

I see a picture. In fact I see a ships' bow. This ship bow has a relation to your life. I see that this ships' bow is pinned. It is like ice, no forward movement possible.

And while looking at it I see that from somewhere warmth is coming. Suddenly this warmth was available and then the ice melted. This is what will happen next.

**And the LORD speaks to you:** My son, I am the GOD of getting deadlocked things into movement again. I have all media and possibilities and I will make it in a way as I have planned. Thus do not think with sorrows of this or that matter which is your heart, which you know and which I know. I will start to free the way for you both and the ice will melt and you will be in the position to move forward in some and especially in certain areas of your life. **So speaks the LORD.**

**for T. – 8/31/2001 through Ilse**

I see a beautiful garden. And the LORD is the gardener in this garden. And he goes into one corner, to the left, there is kind of a square and I see a dried-out plant. The LORD bows down, takes it from the earth and goes to the right hand side of the garden with the blooming flowers – full of sun and with blooming flowers. And he takes the little plant and replants it into the earth.

And while the LORD touched the plant it woke up into live again and became green and the roots were growing and HE could sink the roots deep into the earth. And while HE is doing that the plant grows under HIS hands into a beautiful rose. A wonderful smell – and the LORD rejoices about the works of HIS hands.

**So speaks the LORD to you:** My child. As a dry plant I have taken you out of the earth which didn't offer you any thing anymore and have you relocated here – into my garden. And I started to care for you, to foster you, to bless you and see: You have grown to a wonderful flower. A rose which gives off its flavour.

And that's what it has to be: You shall give off your flavour, you shall be a testimony [[1. John 5:11](#)] for my glory, you shall pass on what you experienced.

You shall encourage people with your testimony because there are many, who are miserable and in need; who are broken and which Satan wishes to redraw to the dark again and again.

But I will use you as my tool, so that you say: That's what I have been and that's what I am today. You shall be somebody to my glory, give off this flavour so that everybody comes and asks and listens and then you can really say: This had been done by the LORD, all glory to HIM!

Therefore rejoice. I give you this command because everybody needs a task in GODs kingdom and that is your order: That you give on with what I have blessed you [[Ephesians 1:3](#)] – speaks the LORD.

And I will go on to save you and foster you so that you realize: You have the best caretaker and the best doctor who is available on earth – **Your LORD, Jesus Christ.**

And; Give all the glory to me, praise me, thank me and serve me with a humble heart. My child, stay humble, give the glory to me. Keep that, my child, and then I can use you. To the glory of my name.

**for M. – 11/1/2001 – through Friedrich:**

I see a curtain, which is put aside. And behind this I see a cup, but not just one, I see several behind one another. Very nice crystal cups and one of them stands in the foreground.

I see as the cup is filled and **the LORD says:** My son, see, I am your GOD and your LORD and I am the one who opened everything to you, who has shown to you everything which you had to know and should know. See, I am the LORD who has revealed to you my secrets. I did let you come and didn't hold back anything from you.

And I would like you to be obedient, **says the LORD**, and that you allow me that I fill your cup. And I am going to fill it, **says the LORD**. See, I am doing it right now, I started it and I am going to meet you, **says the LORD**, so you do what I have commanded you.

**for K. – after her conversion 3/30/2002 - through Friedrich:**

When you said you want to give your life to Jesus I have seen a picture: I have seen you, climbing from a very wet and slippery side wall – it was a really dark and the stones so dark and have shone slippery – into a small boat. You sat down in the boat have raised your head and looked at me somehow glowing. You looked really happy.

And this boat is a picture for it: You have entered the boat of the LORD. It has no rudder, you have been sitting with the hands folded.

**And the LORD says to you:** My child, see, from today I will take your life into my hands, you have changed the situation in which you are living, you came to me out of this world – out of the forsakenness – into my kingdom.

And see, from today I will take your life into my hands. See I will take your 'live boat' into my hands, guide it and lead it. And I want to go with you through your life. I will bless you and you will experience me. I will pit away hindrances, offer open doors to you and you will learn and know me as a good shepherd – **says the LORD.**

Because I love you and I have given my life for you – speaks the LORD. And nobody has a greater love than giving his life. What else could one do – **speaks the LORD** – than to die.

And I did not only say it but I did it – says the LORD. For you. And I am happy that you have made the decision to enter my kingdom. Welcome – **says the LORD. Be blessed.**

**for A. - 1/16/2004 – through Ulli:**

The LORD reminds me of a song: 'The LORD is my power, HIS shield surrounds me, the LORD is m power, a rock that never rolls'. [[Proverbs 30:5](#)].

**through Valentina:** When I heard that your name is A. the LORD reminded me of the meaning: Strong and powerful.

And the LORD told me: I have given her that name, not her parents. I have swayed them to give her the name, because I have known her. And she is powerful. She did not break down with her needs and the three children.

But I do not talk regarding this power to you, but I talk about the strongness, the power which I want to give you. Not the one which you had so far out of your personality – this will not be sufficient. I want to make you strong. I want to give you a new power and it will happen in silence, but you will recognize it. The power is there and the power is mine.

**for H. and her child – 6/4/2004 – through Friedrich:**

I see in my spirit from the beginning something and together with it a word of GOD is before my eyes: 'We have to fix our calling and choice ourselves.' It seems as if it is not fixed at the beginning, but WE have to fix it.

And I saw you, H., with a hammer and nails. And you have fixed a bar. And you have fixed the bar, your face was very resolute, energetic and you have hammered the nail into it and another nail and ...

**The LORD says to you:** My daughter, yes, I the LORD am your confidence [[Proverbs 3:26](#)] and your strength [[Psalm 28:7](#)]. And I, the LORD, have let you see my glory in your life. And I did not stop to give on from my glory in order to glorify my name. And I would like to tell you – tonight – always keep the picture in your mind that your daughter is my child!

Keep this picture and confess, yes, and as it is my child I am going to care for her, protect her [[Isaiah 42:6](#)] and preserve her. And every time when you confess this and confirm it in belief it is as if you fix something as if you nail something into a matter. The more nails you hammer into it, the more fixing objects you use, all the stronger this matter will become.

I want to call to you. Believe me, trust me and confess it that I am the LORD who loves your daughter, who washes your daughter on his blood and who does not slip your daughter into the hands of the enemy. **So speaks the LORD.**

Take it along and confess it – as it is said: 'Against all illusiveness, against the darkness, against reality – because I tell you, it is my word: I am a good GOD, I am a compassionate, a merciful, GOD and I have a plan.

Nobody will and can dispute my plan, my intention, which I have – also with your house. Because I am the LORD. And I want to use you and I would like to ask you that you confess my word, correctly, believing and this word shall hold the things shall fix this calling and choice – which I have already for a long time with your daughter. The stronger the more you confess. **So speaks the LORD.**

And see: I want to tell you tonight that I strengthen you [[Psalm 89:21](#)] that I strengthen your heart that you look

at me as the GOD who does not leave you and who is with you, by your side, you shall give me the honour and praise me – **so speaks the LORD.**

**for E. – 5/27/2005 – through Friedrich:**

I see a spinner, you spin very strongly around yourself. Again and again you spin – and it works, it still works.

Now the spinner stands still, however, the spinners goal is to spin. A hand comes from above and pushes the spinner again, so that it works correctly.

The LORD wants to give you this power. Stay tuned to him, get the calmness and power, listen to HIS word, so that not all energy is spent in vain. HE will bring you to inner calmness so that acting wise is possible.

**through Ulli** I see a water reservoir with an input up there, however, without an output. Instead I see the sea in a section. I do not know how this looks in the nature but here it is so that the deeper you enter the water the clearer and cleaner it is. It is the stream of living water.

**And the LORD tells you:** The deeper you come into the water the clearer and fresher it will be. The more you have the feeling that the waves will cover you, the stronger the LORD will bind himself to you and you to HIM.

**for M. – 2/18/2009 – through Ilse:**

I see all the time a picture, however, it is not the supper:

I see HIM, kneeling in the garden of Gethsemane after he has served the meal to his disciples. I see him struggling and the sweat falling to earth like blood drops [[Mark 14:35-36](#)]. And HE says: 'Father, if possible let this cup pass by me. But not my will be done but yours'.

And then I see the angel who comes to strengthen him. The angel from above. Comes and strengthens HIM in this hour of heaviest challenge, the heaviest fight, because HE knows exactly what is waiting for HIM.

**And the Spirit of GOD speaks:** Yes, my son, also you suffer much because of me. But know, each time I have to admit that you have pain comes an angel from heaven and he strengthens you. So never lose the courage. See he is always available and know: I measure everything exactly what you can bear and endure.

I have suffered together with you, I have finalized everything for you. Therefore look at me and start to thank me. When the need is largest, my son, then my help is next. Do not be afraid but be happy and confident. The best is still to come. **So speaks the LORD.**

## - Equipping/Calling

**for U. – 5/11/2001 - through Friedrich**

I see U. standing with an apron, like a woman who has to work at home. But it is not aimed to home work – this picture, that I have – but on her business which GOD does through her. I see her with an apron and I saw her at the beginning with a stiff-bristled broom, with red bristles, very wide.

Schürze und ich sah' sie am Anfang mit einem großen Besen, ganz harter Besen, mit roten Borsten, ganz breit.

And then I have seen that this broom disappeared to the back and I saw that she has now a very soft hand broom. Very very soft, as she holds it in her hand – a shape which I never saw before.

**The LORD speaks to you:** My daughter I am your LORD and I am your GOD but I am also the one who has called you and gave you a calling. And you know that you have changed a lot. That much of your hardness disappeared from your life. You know that you had it for a time and you tried to work with it, however, you recognized it does not bear the right results.

I do thank you that you have put away all of that and have started to act in a new - in a totally different way – for me. Meekness is the attractiveness that is of me. I am meek and I want to give you a totally new equipment in this direction. Totally new. That you work for me as this home working woman, who served with a dust-'fluff' in her hand. A very special tool. See, that's what I am going to do.

My daughter, I want to give you a special equipment you are going to have a special equipment, you are going to have a soft compassionate heart. And you will win people due to your compassion by getting a heart like mine – **says the LORD.**

You have much of me already and I will give you more. I will give you much more you are going to understand me and the equipment which I give you will be gentle and light. This is going to cause what I will do through you.

**for F. – 6/8./2001 – through Bernd:**

When Job was in the deepest need he said: 'The LORD gave it and the LORD took it. Praise be to the name of the LORD' [[Job 1:21](#)]. And only when the three artists came he started to quarrel with GOD and wanted to argue with GOD. And at the end the three were only false friends.

And I think of all the pilgrims from the church who arrive like that and truly bore into the heart with their spears and are wisenheimers. And when they were not there you could have said: 'Praise be to the name of the LORD' and such people irritate you. They come again and again with their dirks.

But Jesus said on the cross: 'Father forgive them as they do not know what they do' [[Luke 23:34](#)]. These people also do not know what they do. Therefore I will cut the band in the name of Jesus.

**through Ulli:** ... and who stays with me and accepts that I prune and who listens to me he will have good fruit.

**through Ilse:** ... to stand again before the ... of the LORD. It is not the high priest it is F. and besides of him the Satan who tries to accuse him.

**And the LORD speaks to you:** "My son, you stand before me and I am your judge. And I love you and I dress you again with my dress of righteousness [[Isaiah 61:10](#)] and I give you a new hat on your head and I introduce anew your charge that I have given you years ago. You are my tool, you are the trumpet which I made out of you and you shall blow the trumpet – as the world has become dumb – so that they hear: 'The trumpets of GOD have to sound anew so that the people wake up, because it are the last days'. And I want to use you my son.

And you have to stand strong – you have to strengthen yourself in me – because there is no border for my power, my son, and when you come to me then I will give you my power. You do not have to go in your own strength but in my power. And I will glorify me that my name will be great all over this land, so that my name will be great all over the world. You are within the queue of these men which I will send and I equip all, also you.

And trust in me, do not trust in men, trust in me. I always stood besides you and I will stand with you because I have given you the calling and I will not take it away. It is over your life and you will serve – in my power, in my love – and I will use you in order to show that I am the same: Yesterday, today and in all eternity.

And there will be signs and miracles, as before, because I am the same and because I do want it in order to show the world: 'Who comes to me can only win. Who does not do this is the loser. It is in the hand of anyone to say 'YES' and to accept my ways or to say 'NO'.

And you are my herald and you go out. And I will strengthen you and show you the way which you should go. You go at my hand you do not go the wrong way but the right way in my succession – speaks the LORD.

**for M + U – 3/1/2002 – through Friedrich:**

... as if he had given a captain's cap on M.S head. As a ship's captain. And then I saw him standing at the steering-wheel on this ship, the life's ship, the family ship. Whatever is connected to it. And I saw the compass in front of you M. and I see the needle very strongly on a course, and that is the course of GOD. And I see that you swing in to that course. And the needle does not move, it is hard-bitten there. And you swing in to the course.

And it is a very difficult terrain. There are rocks, reef-rocks, I see the ship gliding over it. Nothing happens. Normally it is impossible to drive there where you drive, you drive with this ship over rocks ! I see the ship going over it and no real water is in sight. But I see the ship gliding over it. It is a miracle. It is impossible for humans [[Luke 18:27](#)].

**The LORD says to you:** My son I have given the steering-wheel into your hands. I have the course for you.

Drive the course which I give you. See, I have given you the ability, the equipment, I have called you that you shall do this, lead, command. You are on the commanders' bridge and you shall drive the course. And I will help you. You will pass impossible situations because you drive my course and what is impossible with men is possible with GOD. All things are possible. This I wanted to tell you-

**through Ilse:** Above this captains' cap is written: 'First look after my kingdom, after my righteousness so all of that will be given to you as well' [[Matthew 6:33](#)]

**And the LORD speaks to you::** "So as you are standing at the steering-wheel and be directed through my Holy Spirit so I will tell you now: Fight the good fight of belief, which you started and I will always give you the direction. Because it is written: 'Only who fights right, will get the right to bear the crown '

And while the LORD is saying that I see two crowns floating above you. They float and the LORD says: 'Yes, they are prepared for you in the eternal kingdom. But stay on this course. Stay strong in looking after my kingdom then I can use you here. And you will recognize over there what it means to go the way in obedience which I have guided you. Even if it is heavy. If you fight the right way the crowns are promised to you – **says the LORD.**

**for U. – 3/1/2002 – through Friedrich:**

When lacing my hand on you head I see the door of the commanders bridge open and you enter. You are dressed somehow in white. And you have something in your hand. I believe it is a refreshment for M. and you hand it over to him, really happy.

**The LORD tells you:** "My daughter from time to time you will appear and give your companion with whom I have grouped you spiritual food. I will give you things and you will pass them on. You will refresh him. When you come out of my presence, so to speak out of my 'caboose', from my meals which I prepare and which you are taking and pass them on to your husband.

And together you will be blessed. You will have victory – **says the LORD.** I will not let you as I love you. You are precious to me. And you fill a special place in my kingdom and I will show you much more – **says the LORD.**

You did not enter it yet, the specific calling which I have for you – **says the LORD.** But you will. If you go on driving the course which I show you, you will get in. And I will reveal me in a wonderful way – says the LORD – through you will go on to reveal me.

I see M and U standing. It is like– I am myself under them – a cockpit and M looks to me. I do not see what is behind me, however, I know there will be coming quite something still to you. **So speaks the LORD.**

**for E. – 5/31/2002 - through Friedrich**

I see shoes, great shoes. And I have asked the LORD within me and **the LORD says:** HE gives you a greater authority to work with GODs word and to pass it on to others.

It is said:' with your feet fitted with the readiness that comes from the gospel of peace' [[Ephesians 6:15](#)]. I believe the LORD will equip you with the security, with an internal calmness, to overview, class and speak in the right moments words with wisdom and knowledge.

**The LORD says:** You have grown from the children's shoes. HE says: It is gone you now wear the shoes of adults.

This is what HE is doing with you. The equipment which you will get will enable you to go deeper into the plan which GOD has with you.

(... HE has a plan with everyone of us. We are small wheels and ambassadors of GOD in Christ place. We have an invisible banner and among us is erect the word of reconciliation. GOD asks though us: 'Be reconciled to GOD' [[2. Corinthians 5:20](#)] This is our message)

And I believe E. the LORD has taken away the children's shoes from you – I can't see them anymore – and given great shoes which you have to enter and go forward. And you will be formed by HIM and grow and become a worthy ambassador – for the kingdom of GOD in Christ place.

**for H. – 8/30/2002 - through Friedrich**

I see you standing with the arms lifted up. I have the impression that GOD will use you in praise.

You have possibly been waiting for years or you did what it and it never came up. I have the impression that GOD will use you. I do not know how it will be done but it will come.

**And the LORD says:** My daughter when you stand before me and lift the hands when your eyes are directed to me I am going to make you a source of life – **says the LORD**. More than you have been it until now. Because I am going to direct it that from you living waters will flow. Different from what it had been so far – **says the LORD**.

**for I. + H. – 4/20/2003 – through Winfried**

**The LORD speaks:** You are going to be people who bring others to unfold. You are going to be people who are shepherds for others and you will do it with softness of your hearts.

I see – before my inner eye – something like a clucking hen, which has great patience – until something small has hatched. I have the impression that the LORD blesses you and anoints you that you ... the gifts which HE has put into other people. You can breed them, you can encourage them, you have the smoothness of hearts you have a deep understanding to be 'unfolders'.

I have the impression that GOD has a calling for you and **the LORD says:** Invest yourself into people, take the time for them. I will bless you – even if you do not see any results for a long time – like with an egg that is bred out. For a long time you will not see anything but through your service, through your loyalty, through your love others will unfold.

**through Ulli:** It was somehow a curious picture: One the one hand I saw a glass full of dabbers, on the other hand mattresses.

**Butt he LORD explains:** It is he symbol, the dabbers – they are soft, they are smooth, they are warm – and also these mattresses – they buffer, they cushion. And that is what I want to assign them: modality to give warmth and security – this smoothness. The same what was said before. HE wants to strengthen it.

And I saw a second picture: A man with a wheel chair driver – something I have no explanation for. But this ... taking care of something, this ... giving security, warmth, acceptance, to let the other one as he is and nevertheless 'encase' him and to pass on all of the warmth – this is what the LORD assigns to you – very specially. You have this love, you have this understanding and you will be in a position – HE assigns this especially to you ! – to mediate warmth and security to others.

**for M. – 5/9/2003 – through Friedrich:**

... that suits it: I see like a root, a gnarled piece of wood – that are you. I see a hand which holds the wood at the upper part and also holds a peeler which is going over this root. Like a cassava-root. I see that this peeler exposes the 'white' with every draw. I see this hand drawing down and the black material is removed and white material can be seen.

I believe the LORD wants to tell you that you are in HIS hand.

**The LORD tells you:** My child, I have you tight in my hands and whatever I admit and do in your life shall serve to your best. Shall serve to your transformation, shall serve that my character, my glory, my grace shall be seen in you – really visible. And see, I am already working on you for a long time and I still have to quite something until I make a break in your life.

A break, not only a breather but I would like that you enjoy what I have done so far and live in it – for a time. Until I start to go on working because I will not hold nor rest until I have reached what I have planned with you.

You have given me your life. I have taken it into my hand and I know you have given it to me wholeheartedly. And I have taken it wholeheartedly. Because you have given it to me wholeheartedly I will accomplish my whole program with you.

But do not be afraid, it will not be unbearable. And I will give you in-between always times in which you may rest. Because I have plans with – says the LORD. And I am going to show you what I intend. But you have to be changed still – **says the LORD**. And you will be changed – because it is my will.

**for C. – 6/20/2003 – through Ilse:**

I see a small bird. It is covered by Jesus' hands, the little head looks out and looks here and there- The small black eyes – like two black pearls - ... He feels exactly that he is in Jesus' hands.

**And the Spirit says:** My daughter think of this small bird. Imagine it ! The same way, as I surround this small bird from all sides, as he appreciates the warmth of my hands and first of all the godly security. This security and this warmth I give also to you, my daughter. My hands surround you my hands hold you, my love cares for you and my mercy searches for you. Therefore remain confident and undismayed – surrounded by my hands, my godliness, by my love – you are going to ripen to a childish precious stone which I have in my heart.

I want to prepare you, I want to help you – but I do it with gentleness just like a little bird which has to be surrounded with tenderness and cautiousness. And like that I surround you, my daughter. Therefore let you drop and have this picture before your eyes if you come into sorrows and problems. I hold you with my hands – for all time. I surround you from all sides – above and beneath, right and left – you are surrounded by your LORD and the glory of Jesus Christ.

And thus nothing in your life will happen than – as said already – the plan of GOD.

It will be achieved and make you to a precious stone. I am doing it. So praise me and thank me and look to me at all times. I will not allow more than my love that surrounds you that no wound and no pain annoy you because you are in my hands in my arms and you are my property. I will finish you.

Once again I tell you: Rejoice and be happy and praise me. Praise and happiness – a happy heart heals the body and a sad heart dries out the body and this is not written in my words. So stay confident – I tell you once again. Trust in all things into me and talk to me and I will answer you because I am the LORD and I want to glorify me.

**for U. + M. – 9/5/2003 – through Ilse**

I see first one candle and this burns and gives warmth and a bright light. And now I see a second candle and this second candle is lit by the first one – U. and M. And now a hand comes and takes these two candles and unifies them. And now I see one single candle it is large and has a wonderful light and spends warmth and light – and is a testimonial for your glory as you are the light that came from heaven to earth.

And U. and M. are such 'candle carriers' who distribute your light [[John 12:46](#)] also in their families for their children – much love, much warmth – bring much light into their lives. And also to the church and to people to whom they have contacts, LORD, this light will be passed on.

You are tools in my hand. I have lit first in you – my daughter – the light through my Holy Spirit and thereafter you could win your husband, due to your action, in the Spirit and through your love and patience. And so I have made one candle out of the two and you may burn, spread the light, warmth and lead people to me. Because I am the light of the earth. I am the light that came into the darkness and you shall be 'light bearers' - to my glory.

Because it is written: 'Arise, shine as my light has come and the glory of the LORD is above you [[Isaiah 60:1](#)] But darkness covers people and above you shall rise the LORD and HIS glory – **speaks the LORD. Amen.**

**for H. – 10/22/2004 - through Friedrich**

I give you the picture: I saw a marketplace in a town. People ran here and there. It was some kind of a aimlessness. One could not see any direction or way. Just chaotic.

**The LORD says to me:** That is Ms condition. She has no orientation and the chaos in her is as a 'brain-storming'. Her thought rush chaotic. And then I say you, H., yiu stood a bit higher above this marketplace like on the merlon of a castle. You looked with half of your upper part of the body over it and showed with one hand into one direction. Very clear, very definitive, with a spiritual authority: 'This ist the way, this is the way !'

**And the LORD says:** My daughter you look at this and you are dismayed. But know that this will go. When my body

works correctly this will go. When my body works correctly and obeys me and follows my commands this condition ,chaos' will come to order and direction

And you, my children, you shall do the service, you, my daughter shall know that I have placed you that you can – in a good spiritual manner – show them the way. I do not only want to encourage you I will also teach you, **says the LORD**, you will hear my voice in your heart and I will tell you what to do.

I am the LORD and I don't want to renounce on any of my children. And it is so that you have to help each other in the time you are living in. And if one is doing well this is not the case with the next and vice versa. I have put you together so that you go the way together and be available for the other one so that my people are blessed – **so speaks the LORD**. I will bless you that I can use you in this context.

**for M. – 4/27/2007 – through Friedrich:**

All of us know that the LORD met people, the people didn't know but the LORD knew it that HE has a meeting. As with the woman at the Jakobs well, she didn't know it.

And from Jesus it is written: He had to pass Samaria in order to meet the woman. And I think of Zacchaeus when Jesus passed through Jericho. Zacchaeus didn't know that. He climbed up a tree because he was small, wanted to see Jesus, without being seen. It was a godly 'Rendez-vous', a date.

And Jesus stopped lifted his eyes and said: Zacchaeus I came because of you. Come down, I have to enter your house today. And he came down [[Luke 19:5](#)],

I have had two pictures i. e. I have seen M. standing on a clearing – a deciduous forest with bushes.

And suddenly Jesus came from one side out of the bushes. Typical Jesus, in a white robe. And I was reminded of the meeting between Jakob and Jesus. At the Jabbock-river. He didn't know that he was going to have a meeting with Jesus. All of the night this meeting took place. And in the morning Jakob had to confess: I have seen GOD from face-to-face, my soul is healed [[Genesis 32:29-31](#)]

**And I believe the LORD wants to tell you the following:**

My child, my beloved child, see you are going to meet me or I will meet you. Then, when you don't know it.

I have prepared a point, I have prepared an area. I have prepared a situation in your life which is still before you. Then I will meet you and you meet me. And it will be a meeting – **says the LORD** – from this point in time onwards everything will be changed in your life. I have planned for it and I will do it. So just go forward as you have done so far. I have prepared a meeting with you and then you will not ask me much more – **says the LORD**. I want to reveal me to you, M, and you will see: Everything will be different – from this day onward.

**Ulli adds a picture:** There was a shepherd standing on a hill and below him grazed the sheep. The ran here and there but he always had all of them in sight. Even if they were behind him: He saw them.

At the same time I had **Psalm 26, 3** before my eyes – ,for your love is ever before me, and I walk continually in your truth'

Walking before the LORD. That's what all of us do. And that' what HE expects especially from you. You will be in HIS sight.
